NOTE TO THE READER

Ed 1100, the *NH Standards for the Education of Children with Disabilities* were readopted with amendments on March 23, 2017, and went into effect on March 24, 2017.

Through the rulemaking process, subsequent revisions to the NH Standards for the Education of Children with Disabilities were made (adopted on August 8, 2018) to Ed 1102.01, Ed 1102.03, and Ed 1113.12 to reflect the amendments made to IDEA to align with the Every Student Succeeds Act (ESSA). Accordingly, parts of Ed 1102.01 and Ed 1102.03 were renumbered.

Part Ed 1128 was also amended, primarily to replace the term “catastrophic aid” with “special education aid”, consistent with the revisions made to RSA 186-C, and to provide additional clarity.

Revisions, which went into effect on April 10, 2020, were made to Ed 1102.04(h) the definition to “parent” and to Ed 1119.01 confidentiality requirements (to reflect revisions to RSA 186-C’s records retention requirements).

This *Guide to the NH Standards for the Education of Children with Disabilities* is provided as a resource to assist families and educators better understand and use NH Chapter Ed 1100, the *NH Standards for the Education of Children with Disabilities*. As such, it has been formatted to make it user-friendly. It is not, nor is it intended to be, an exact copy of the official legislative document, Chapter Ed 1100.

Please note that the supplemental text consists primarily of cited sections of Federal or State statutes, regulations or rules, and is up-to-date as of May 1, 2020.

§300.111 Child Find. (b) Use of term developmental delay. The following provisions apply with respect to implementing the child find requirements of this section:

(1) A State that adopts a definition of developmental delay under §300.8(b) determines whether the term applies to children aged three through nine, or to a subset of that age range (e.g., ages three through five).

(2) A State may not require an LEA to adopt and use the term developmental delay for any children within its jurisdiction.

(3) If an LEA uses the term developmental delay for children described in §300.8(b), the LEA must conform to both the State's definition of that term and to the age range that has been adopted by the State.

(4) If a State does not adopt the term developmental delay, an LEA may not independently use that term as a basis for establishing a child's eligibility under this part.

Multiple disabilities does not include deaf-blindness.

(8) Orthopedic impairment means a severe orthopedic impairment that adversely affects a child's educational performance. The term includes impairments caused by a congenital anomaly, impairments caused by disease (e.g., poliomyelitis, bone tuberculosis), and impairments from other causes (e.g., cerebral palsy, amputations, and fractures or burns that cause contractures).

Traumatic brain injury applies to open or closed head injuries resulting in impairments in one or more areas, such as cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual, and motor abilities; psychosocial behavior; physical functions; information processing; and speech. Traumatic brain injury does not apply to brain injuries that are congenital or degenerative, or to brain injuries induced by birth trauma.

V. (a) The provisions of this paragraph shall be enforced subsequent to the issuance of an order resulting from a complaint investigated, a due process hearing, or a monitoring activity pursuant to rules adopted under RSA 541-A.

(b) At the conclusion of the time limit specified for the school district, public agency, private provider of special education, or other non-school district based program to have completed the corrective action specified in the orders of compliance, the administrator of the bureau of special education of the department of education shall forward to the commissioner of the department of education a written report indicating the extent to which the agency took corrective action to achieve compliance with state and federal law.

(c) In the event the written report shows that the school district, public agency, private provider of special education, or other non-school district based program has not complied with orders issued by the department, the commissioner of the department of education shall give the written notice of the enforcement action to be taken.

(d) When taking enforcement action, the commissioner of the department of education shall consider:

- (1) The severity and length of noncompliance.
- (2) Whether a good faith effort was made to correct the problem.

(9) Requiring redirection of federal funds to remediate noncompliance of more than one year.

(10) Ceasing payments of state or federal special education funds to the school district or other public agency until the department of education determines the school district or other public agency is in compliance.

(11) Ordering, in accordance with a final state audit report, the repayment of misspent or misapplied state and/or federal funds.

(12) In the case of a school district or other public agency, referring the matter to the department of justice for further action.

(13) In the case of a private provider of special education or other non-school district based program, ordering all school districts with students placed in the private provider of special education to relocate the students for whom each district is responsible to other programs or facilities that are in compliance with state and federal law.

VI. The commissioner shall notify the superintendent and local school board, and post findings and corrective actions recommended on the department Internet website. The commissioner shall also notify the advisory committee on the education of children/students with disabilities of the findings, remedies, and sanctions.

VII. The department shall adopt rules for the school district appeals process for corrective actions imposed under subparagraphs V(a)(5)-(11).

VIII. The commissioner shall employ or contract with a sufficient number of qualified personnel to carry out the activities enumerated in this section, including but not limited to managing, analyzing, and verifying data, coordinating and staffing on-site monitoring teams, preparing reports, including findings and corrective actions, and determining, monitoring, or supervising corrective actions and sanctions.

IX. The department, with input from the advisory committee on the education of children/students with disabilities, shall select and contract with an independent, nationally recognized organization in program evaluation and quality assurance to evaluate in 2010, 2015, and decennially thereafter, the effectiveness of the program approval and monitoring system, including whether it is carrying out activities in RSA 186-C:5 in an efficient manner. Such organization shall submit recommendations for any improvements to the commissioner, the state board of education, the governor, and the general court within 90 days of completing the program evaluation. On or before September 1, 2013, the department shall submit a written response to the report submitted by the organization that conducted the 2012 independent evaluation.

The written response shall include a detailed plan for how the department will address the areas identified as needing improvement and the recommendations made in the initial evaluation required under this section. The written response shall include specific steps the department plans to take, along with a timeline for each step. The written response shall also provide an explanation for any actions the department will not implement or complete during the plan's timeframe. On or before December 30, 2013 and June 30, 2014, the department shall submit a report of its progress toward completing its plan. The plan and reports shall be submitted to the governor, to the chairpersons of the senate and house committees with jurisdiction over education policy, to the state advisory committee for the education of children with disabilities established in RSA 186-C:3-b, and to the state board of education. For the 2015 evaluation, the department shall invite the same organization that conducted the 2012 evaluation to respond to a request for proposals. The 2015 evaluation shall include feedback on the steps the department has taken in response to the recommendations in the 2012 report. The department shall provide unimpeded access to all documents requested by the organization, except as otherwise required by law.

The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is--

- (ii) Agreed to by the agency and the child’s parents.
- (2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must--
 - (i) Provide to the child’s parents a detailed explanation of the differences between an IFSP and an IEP; and

- (e) IEPs for children who transfer public agencies in the same State. If a child with a disability (who had an IEP that was in effect in a previous public agency in the same State) transfers to a new public agency in the same State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child’s IEP from the previous public agency), until the new public agency either--
 - (1) Adopts the child’s IEP from the previous public agency; or
 - (2) Develops, adopts, and implements a new IEP that meets the applicable requirements in §§300.320 through 300.324.
- (f) IEPs for children who transfer from another State. If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a public agency in a new State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child’s IEP from the previous public agency), until the new public agency—
 - (1) Conducts an evaluation pursuant to §§300.304 through 300.306 (if determined to be necessary by the new public agency); and

 - (1) The new public agency in which the child enrolls must take reasonable steps to promptly obtain the child’s records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous public agency in which the child was enrolled, pursuant to 34 CFR 99.31(a)(2); and

(2) The previous public agency in which the child was enrolled must take reasonable steps to promptly respond to the request from the new public agency.

Development of IEP

§300.324 Development, review, and revision of IEP.

(a) Development of IEP. (1) General. In developing each child’s IEP, the IEP Team must consider--

- (i) The strengths of the child;
- (ii) The concerns of the parents for enhancing the education of their child;
- (iii) The results of the initial or most recent evaluation of the child; and
- (iv) The academic, developmental, and functional needs of the child.

(2) Consideration of special factors. The IEP Team must--

(i) In the case of a child whose behavior impedes the child’s learning or that of others, consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior;

(ii) In the case of a child with limited English proficiency, consider the language needs of the child as those needs relate to the child’s IEP;

(iii) In the case of a child who is blind or visually impaired, provide for instruction in Braille and the use of Braille unless the IEP Team determines, after an evaluation of the child’s reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the child’s future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the child;

(iv) Consider the communication needs of the child, and in the case of a child who is deaf or hard of hearing, consider the child’s language and communication needs, opportunities for direct communications with peers and professional personnel in the child’s language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the child’s language and communication mode; and

(v) Consider whether the child needs assistive technology devices and services.

(3) Requirement with respect to regular education teacher. A regular education teacher of a child with a disability, as a member of the IEP Team, must, to the extent appropriate, participate in the development of the IEP of the child, including the determination of--

(i) Appropriate positive behavioral interventions and supports and other strategies for the child; and

(ii) Supplementary aids and services, program modifications, and support for school personnel consistent with §300.320(a)(4).

(4) Agreement. (i) In making changes to a child’s IEP after the annual IEP Team meeting for a school year, the parent of a child with a disability and the public agency may agree not to convene an IEP Team meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the child’s current IEP.

(ii) If changes are made to the child’s IEP in accordance with paragraph (a)(4)(i) of this section, the public agency must ensure that the child’s IEP Team is informed of those changes.

(5) Consolidation of IEP Team meetings. To the extent possible, the public agency must encourage the consolidation of reevaluation meetings for the child and other IEP Team meetings for the child.

(6) Amendments. Changes to the IEP may be made either by the entire IEP Team at an IEP Team meeting, or as provided in paragraph (a)(4) of this section, by amending the IEP rather than by redrafting the entire IEP. Upon request, a parent must be provided with a revised copy of the IEP with the amendments incorporated.

(b) Review and revision of IEPs. (1) General. Each public agency must ensure that, subject to paragraphs (b)(2) and (b)(3) of this section, the IEP Team--

(i) Reviews the child’s IEP periodically, but not less than annually, to determine whether the annual goals for the child are being achieved; and

(ii) Revises the IEP, as appropriate, to address--

(A) Any lack of expected progress toward the annual goals described in §300.320(a)(2), and in the general education curriculum, if appropriate;

(B) The results of any reevaluation conducted under §300.303;

(C) Information about the child provided to, or by, the parents, as described under §300.305(a)(2);

(D) The child’s anticipated needs; or

(E) Other matters.

(2) Consideration of special factors. In conducting a review of the child’s IEP, the IEP Team must consider the special factors described in paragraph (a)(2) of this section.

(3) Requirement with respect to regular education teacher. A regular education teacher of the child, as a member of the IEP Team, must, consistent with paragraph (a)(3) of this section, participate in the review and revision of the IEP of the child.

(c) Failure to meet transition objectives.

(1) Participating agency failure. If a participating agency, other than the public agency, fails to provide the transition services described in the IEP in accordance with §300.320(b), the public agency must reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the child set out in the IEP.

(2) Construction. Nothing in this part relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to children with disabilities who meet the eligibility criteria of that agency.

(d) Children with disabilities in adult prisons. (1) Requirements that do not apply. The following requirements do not apply to children with disabilities who are convicted as adults under State law and incarcerated in adult prisons:

(i) The requirements contained in section 612(a)(16) of the Act and §300.320(a)(6) (relating to participation of children with disabilities in general assessments).

(ii) The requirements in §300.320(b) (relating to transition planning and transition services) do not apply with respect to the children whose eligibility under Part B of the Act will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

(2) Modifications of IEP or placement. (i) Subject to paragraph (d)(2)(ii) of this section, the IEP Team of a child with a disability who is convicted as an adult under State law and incarcerated in an adult prison may modify the child’s IEP or placement if the State has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

(ii) The requirements of §§300.320 (relating to IEPs), and 300.114 (relating to LRE), do not apply with respect to the modifications described in paragraph (d)(2)(i) of this section.

~ ~ **NOTE: §300.324(d)(2)(ii) was revised by amendment on 6/30/2017 to correct the cross reference: §300.114 (was §300.112).**

(h) “Individualized education program team” (IEP team) means “individualized education program team” as defined in 34 CFR 300.23 and which meets the requirements in Ed 1103.01(b) and (c).

§300.23 Individualized education program team, or IEP Team means a group of individuals described in §300.321 that is responsible for developing, reviewing, or revising an IEP for a child with a disability.

(i) “Individualized family service plan” or (IFSP) means “individualized family service plan” as detailed in 34 CFR 300.323. The term includes individualized family support plans.

§300.323(b) IEP or IFSP for children aged three through five.

(1) In the case of a child with a disability aged three through five (or, at the discretion of the SEA, a two-year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is--

- (i) Consistent with State policy; and
- (ii) Agreed to by the agency and the child’s parents.

(2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must--

- (i) Provide to the child’s parents a detailed explanation of the differences between an IFSP and an IEP; and
- (ii) If the parents choose an IFSP, obtain written informed consent from the parents.

(j) “Individuals with Disabilities Education Act (IDEA) and Individuals with Disabilities Education Improvement Act (IDEIA)” each mean the Individuals with Disabilities Education Act, 20 U.S.C. 1400, et seq., as amended by the Individuals with Disabilities Education Improvement Act of 2004, and as implemented by the U.S. Department of Education’s regulations, 34 CFR 300 et seq.

(k) “Interim alternative educational setting” means the setting, as determined by the IEP team pursuant to 34 CFR 300.530(g) through 34 CFR 300.532, in which a child with a disability receives services when removed from placement for disciplinary reasons.

§300.530(g) Special circumstances. School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child’s disability, if the child--

(1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of an SEA or an LEA;

(2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA; or

(3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA.

(h) Notification. On the date on which the decision is made to make a removal that constitutes a change of placement of a child with a disability because of a violation of a code of student conduct, the LEA must notify the parents of that decision, and provide the parents the procedural safeguards notice described in §300.504.

If the parent(s) agrees in writing, the LEA may satisfy this requirement via transmittal by electronic mail. Such an agreement shall be effective until revoked in writing. A notice sent by first class or certified U.S. mail 12 days prior to the meeting shall be deemed received 10 days before an IEP team meeting.

(b) Provided that for a manifestation determination review under 34 CFR 300.530(e) the LEA shall ensure that the parent or parents receive a written notice no fewer than 5 days before the review.

§300.530(e) Manifestation determination. (1) Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child’s IEP Team (as determined by the parent and the LEA) must review all relevant information in the student’s file, including the child’s IEP, any teacher observations, and any relevant information provided by the parents to determine--

(i) If the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or

(ii) If the conduct in question was the direct result of the LEA’s failure to implement the IEP.

(2) The conduct must be determined to be a manifestation of the child’s disability if the LEA, the parent, and relevant members of the child’s IEP Team determine that a condition in either paragraph (e)(1)(i) or (1)(ii) of this section was met.

(3) If the LEA, the parent, and relevant members of the child’s IEP Team determine the condition described in paragraph (e)(1)(ii) of this section was met, the LEA must take immediate steps to remedy those deficiencies.

(c) The notice shall include the purpose, time, location of the meeting and the identification of the participants.

(d) The notice requirements in Ed 1103.02(a) and (b) shall be waived with the written consent of the parent.

(e) Parent participation shall be in accordance with 34 CFR 300.322 and 34 CFR 300.501(b)-34 CFR 300.501(c).

§300.322 Parent participation.

(a) Public agency responsibility—general. Each public agency must take steps to ensure that one or both of the parents of a child with a disability are present at each IEP Team meeting or are afforded the opportunity to participate, including--

(1) Notifying parents of the meeting early enough to ensure that they will have an opportunity to attend; and

(2) Scheduling the meeting at a mutually agreed on time and place.

(b) Information provided to parents. (1) The notice required under paragraph (a)(1) of this section must--

(i) Indicate the purpose, time, and location of the meeting and who will be in attendance; and

(ii) Inform the parents of the provisions in §300.321(a)(6) and (c) (relating to the participation of other individuals on the IEP Team who have knowledge or special expertise about the child), and §300.321(f) (relating to the participation of the Part C service coordinator or other representatives of the Part C system at the initial IEP Team meeting for a child previously served under Part C of the Act).

(2) For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, the notice also must--

(i) Indicate--

(A) That a purpose of the meeting will be the consideration of the postsecondary goals and transition services for the child, in accordance with §300.320(b); and

(B) That the agency will invite the student; and

(ii) Identify any other agency that will be invited to send a representative.

(c) Other methods to ensure parent participation. If neither parent can attend an IEP Team meeting, the public agency must use other methods to ensure parent participation, including individual or conference telephone calls, consistent with §300.328 (related to alternative means of meeting participation).

(d) Conducting an IEP Team meeting without a parent in attendance. A meeting may be conducted without a parent in attendance if the public agency is unable to convince the parents that they should attend. In this case, the public agency must keep a record of its attempts to arrange a mutually agreed on time and place, such as--

(1) Detailed records of telephone calls made or attempted and the results of those calls;

(2) Copies of correspondence sent to the parents and any responses received; and

(3) Detailed records of visits made to the parent's home or place of employment and the results of those visits.

(e) Use of interpreters or other action, as appropriate. The public agency must take whatever action is necessary to ensure that the parent understands the proceedings of the IEP Team meeting, including arranging for an interpreter for parents with deafness or whose native language is other than English.

(f) Parent copy of child's IEP. The public agency must give the parent a copy of the child's IEP at no cost to the parent.

§300.501(b) Parent participation in meetings (1) The parents of a child with a disability must be afforded an opportunity to participate in meetings with respect to--

(i) The identification, evaluation, and educational placement of the child; and

(ii) The provision of FAPE to the child.

(2) Each public agency must provide notice consistent with §300.322(a)(1) and (b)(1) to ensure that parents of children with disabilities have the opportunity to participate in meetings described in paragraph (b)(1) of this section.

(3) A meeting does not include informal or unscheduled conversations involving public agency personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that public agency personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

(c) **Parent involvement in placement decisions.** (1) Each public agency must ensure that a parent of each child with a disability is a member of any group that makes decisions on the educational placement of the parent's child.

(2) In implementing the requirements of paragraph (c)(1) of this section, the public agency must use procedures consistent with the procedures described in §300.322(a) through (b)(1).

(3) If neither parent can participate in a meeting in which a decision is to be made relating to the educational placement of their child, the public agency must use other methods to ensure their participation, including individual or conference telephone calls, or video conferencing.

(4) A placement decision may be made by a group without the involvement of a parent, if the public agency is unable to obtain the parent's participation in the decision. In this case, the public agency must have a record of its attempt to ensure their involvement.

(f) The public agency shall take whatever action is necessary to ensure that the parent(s) understands the proceedings at the IEP meeting consistent with 34 CFR 300.322(e).

§300.322(e) Use of interpreters or other action, as appropriate. The public agency must take whatever action is necessary to ensure that the parent understands the proceedings of the IEP Team meeting, including arranging for an interpreter for parents with deafness or whose native language is other than English.

(b) The LEA shall have policies and procedures to ensure that any child who is potentially a child with a disability attending school and for any child 2.5 years of age up to 21 years of age residing within its jurisdiction is referred to the IEP team.

(c) The child find system shall contain specific provisions to meet the particular circumstances pertinent to the following groups of persons:

- (1) For children from 2.5 years of age, the LEA shall use the special education process described in Ed 1104, to find, identify, and evaluate all children who are potentially children with disabilities and who are suspected by the LEA of being in need of special education or special education and related services thereby ensuring that an IEP will be developed and implemented for any child who is eligible for special education by age 3; and

- (2) The LEA, using the special education process, shall find, identify, and evaluate all children suspected to be children with disabilities who are 2.5 years of age or older but less than 21 years of age.

§§300.503 – 300.504 – See Ed 1120.03(b)

(h) The LEA shall ensure that all referrals from parents and others who suspect or know a child to be a child with a disability shall be referred to the IEP team. The LEA shall provide the parents with a written notice of any referral other than one initiated by the parent, in accordance with Ed 1106.01(c).

- (a) The LEA shall develop a written early transition process for children exiting family centered early supports and services which ensures that any child who is potentially a child with a disability is evaluated and eligibility for special education is determined prior to the child’s third birthday. If the child is determined to be a child with a disability eligible for special education and related services, the LEA shall ensure that an IEP is developed and implemented on or before the child’s third birthday.
- (b) The transition process in Ed 1105.04(a) shall include a written interagency agreement between the LEA and the local area agencies, as defined by RSA 171-A:2,I-b responsible for the provision of family centered early supports and services in that community.

(f) The LEA shall report in NHSEIS whether a child referred by family centered early supports and services is a child determined to be a child with a disability or if the child is found not eligible as a child with a disability.

PART Ed 1106 REFERRAL AND DISPOSITION OF REFERRAL

Ed 1106.01 Process; Provision of FAPE. In order to provide a FAPE for children 2.5 years of age to 21 years of age there shall be a referral process in which:

- (a) The LEA shall comply with 34 CFR 300.124 when accepting referrals and transitioning children from Part C of the IDEA to preschool programs;

§300.124 Transition of children from the Part C program to preschool programs.

The State must have in effect policies and procedures to ensure that--

(a) Children participating in early intervention programs assisted under Part C of the Act, and who will participate in preschool programs assisted under Part B of the Act, experience a smooth and effective transition to those preschool programs in a manner consistent with section 637(a)(9) of the Act;

(b) By the third birthday of a child described in paragraph (a) of this section, an IEP or, if consistent with §300.323(b) and section 636(d) of the Act, an IFSP, has been developed and is being implemented for the child consistent with §300.101(b); and

(c) Each affected LEA will participate in transition planning conferences arranged by the designated lead agency under section 635(a)(10) of the Act.

(b) The LEA shall establish a process for referral and evaluation which includes individual participants responsible for decision-making and implementation;

(c) The LEA shall, upon receipt of a referral from any source, immediately notify the parent, in writing, of the referral;

(d) The IEP team shall within 15 business days of the referral, determine whether the concerns raised by the referral can be addressed utilizing existing pupil support services available to all children, whether additional information is required, and what evaluations, if any, are needed to address any remaining concerns raised by the referral;

See Ed 1102.01(o), referencing §300.11(b) Business day means Monday through Friday, except for Federal and State holidays (unless holidays are specifically included in the designation of business day, as in §300.148(d)(1)(ii)).

(e) The IEP team shall, within 15 business days of the referral, give the parent written notice of its disposition of the referral. This notice to parents shall conform to the requirements of 34 CFR 300.503 through 300.504 and include a description of the LEA’s special education procedures. When additional testing has been determined to be necessary, the notice shall also include a request for written consent to conduct any individual evaluations needed to determine the child’s disabilities;

§§300.503 – 300.504 – See Ed 1120.03(b)

(f) The parent may, if the child’s parent disagrees with the IEP team’s disposition of the referral, request alternative dispute resolution as described in Ed 1122 or a due process hearing as described in Ed 1123;

(g) The LEA may take action consistent with 34 CFR 300.300 if parental consent for evaluation is not granted or if a parent fails to respond to a request for evaluation;

§300.300 Parental consent.

(a) Parental consent for initial evaluation. (1)(i) The public agency proposing to conduct an initial evaluation to determine if a child qualifies as a child with a disability under §300.8 must, after providing notice consistent with §§300.503 and 300.504, obtain informed consent, consistent with §300.9, from the parent of the child before conducting the evaluation.

(ii) Parental consent for initial evaluation must not be construed as consent for initial provision of special education and related services.

(iii) The public agency must make reasonable efforts to obtain the informed consent from the parent for an initial evaluation to determine whether the child is a child with a disability.

(2) For initial evaluations only, if the child is a ward of the State and is not residing with the child’s parent, the public agency is not required to obtain informed consent from the parent for an initial evaluation to determine whether the child is a child with a disability if--

(i) Despite reasonable efforts to do so, the public agency cannot discover the whereabouts of the parent of the child;

(ii) The rights of the parents of the child have been terminated in accordance with State law; or

(iii) The rights of the parent to make educational decisions have been subrogated by a judge in accordance with State law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the child.

(3)(i) If the parent of a child enrolled in public school or seeking to be enrolled in public school does not provide consent for initial evaluation under paragraph (a)(1) of this section, or the parent fails to respond to a request to provide consent, the public agency may, but is not required to, pursue the initial evaluation of the child by utilizing the procedural safeguards in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516), if appropriate, except to the extent inconsistent with State law relating to such parental consent.

(ii) The public agency does not violate its obligation under §300.111 and §§300.301 through 300.311 if it declines to pursue the evaluation.

(b) Parental consent for services. (1) A public agency that is responsible for making FAPE available to a child with a disability must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child.

(2) The public agency must make reasonable efforts to obtain informed consent from the parent for the initial provision of special education and related services to the child.

(3) If the parent of a child fails to respond or refuses to consent to services under paragraph (b)(1) of this section, the public agency may not use the procedures in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child.

(4) If the parent of the child refuses to consent to the initial provision of special education and related services, or the parent fails to respond to a request to provide consent for the initial provision of special education and related services, the public agency--

(i) Will not be considered to be in violation of the requirement to make available FAPE to the child for the failure to provide the child with the special education and related services for which the public agency requests consent; and

(ii) Is not required to convene an IEP Team meeting or develop an IEP under §§300.320 and 300.324 for the child for the special education and related services for which the public agency requests such consent.

(c) Parental consent for reevaluations.

(1) Subject to paragraph (c)(2) of this section, each public agency--

(i) Must obtain informed parental consent, in accordance with §300.300(a)(1), prior to conducting any reevaluation of a child with a disability.

(ii) If the parent refuses to consent to the reevaluation, the public agency may, but is not required to, pursue the reevaluation by using the consent override procedures described in paragraph (a)(3) of this section.

(iii) The public agency does not violate its obligation under §300.111 and §§300.301 through 300.311 if it declines to pursue the evaluation or reevaluation.

(2) The informed parental consent described in paragraph (c)(1) of this section need not be obtained if the public agency can demonstrate that--

(i) It made reasonable efforts to obtain such consent; and

(ii) The child's parent has failed to respond.

(d) Other consent requirements.

(1) Parental consent is not required before—

(i) Reviewing existing data as part of an evaluation or a reevaluation; or

(ii) Administering a test or other evaluation that is administered to all children unless, before administration of that test or evaluation, consent is required of parents of all children.

(2) In addition to the parental consent requirements described in paragraph (a) of this section, a State may require parental consent for other services and activities under this part if it ensures that each public agency in the State establishes and implements effective procedures to ensure that a parent's refusal to consent does not result in a failure to provide the child with FAPE.

(3) A public agency may not use a parent's refusal to consent to one service or activity under paragraphs (a) or (d)(2) of this section to deny the parent or child any other service, benefit, or activity of the public agency, except as required by this part.

(4)(i) If a parent of a child who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, the public agency may not use the consent override procedures (described in paragraphs (a)(3) and (c)(1) of this section); and

(ii) The public agency is not required to consider the child as eligible for services under §§300.132 through 300.144.

(5) To meet the reasonable efforts requirement in paragraphs (a)(1)(iii), (a)(2)(i), (b)(2), and (c)(2)(i) of this section, the public agency must document its attempts to obtain parental consent using the procedures in §300.322(d).

(h) Written parental consent shall be required for individual evaluations to further diagnose the needs of a child already determined to be a child with a disability; and

(i) The provision of FAPE by the LEA shall comply with 34 CFR 300.101(a), (b), and (c), and 34 CFR 300.530(d).

§300.101(a) General. A free appropriate public education must be available to all children residing in the State between the ages of 3 and 21, inclusive, including children with disabilities who have been suspended or expelled from school, as provided for in §300.530(d).

(b) FAPE for children beginning at age 3. (1) Each State must ensure that--

(i) The obligation to make FAPE available to each eligible child residing in the State begins no later than the child's third birthday; and

(ii) An IEP or an IFSP is in effect for the child by that date, in accordance with §300.323(b).

(2) If a child's third birthday occurs during the summer, the child's IEP Team shall determine the date when services under the IEP or IFSP will begin.

(c) Children advancing from grade to grade. (1) Each State must ensure that FAPE is available to any individual child with a disability who needs special education and related services, even though the child has not failed or been retained in a course or grade, and is advancing from grade to grade.

(2) The determination that a child described in paragraph (a) of this section is eligible under this part, must be made on an individual basis by the group responsible within the child's LEA for making eligibility determinations.

§300.530 (d) Services. (1) A child with a disability who is removed from the child's current placement pursuant to paragraphs (c), or (g) of this section must--

(i) Continue to receive educational services, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and

(ii) Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

(2) The services required by paragraph (d)(1), (d)(3), (d)(4), and (d)(5) of this section may be provided in an interim alternative educational setting.

(3) A public agency is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 school days or less in that school year, if it provides services to a child without disabilities who is similarly removed.

(4) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, if the current removal is for not more than 10 consecutive school days and is not a change of placement under §300.536, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP.

(5) If the removal is a change of placement under §300.536, the child's IEP Team determines appropriate services under paragraph (d)(1) of this section.

PART Ed 1107 EVALUATION

Ed 1107.01 Evaluation.

- (a) The LEA shall comply with 34 CFR 300.301 - 34 CFR 300.311 relative to evaluations.

§300.301 Initial evaluations.

(a) General. Each public agency must conduct a full and individual initial evaluation, in accordance with §§300.305 and 300.306, before the initial provision of special education and related services to a child with a disability under this part.

(b) Request for initial evaluation. Consistent with the consent requirements in §300.300, either a parent of a child or a public agency may initiate a request for an initial evaluation to determine if the child is a child with a disability.

(c) Procedures for initial evaluation. The initial evaluation--

(1)(i) Must be conducted within 60 days of receiving parental consent for the evaluation; or

(ii) If the State establishes a timeframe within which the evaluation must be conducted, within that timeframe; and

(2) Must consist of procedures--

(i) To determine if the child is a child with a disability under §300.8; and

(ii) To determine the educational needs of the child.

(d) Exception. The timeframe described in paragraph (c)(1) of this section does not apply to a public agency if--

(1) The parent of a child repeatedly fails or refuses to produce the child for the evaluation; or

(2) A child enrolls in a school of another public agency after the relevant timeframe in paragraph (c)(1) of this section has begun, and prior to a determination by the child's previous public agency as to whether the child is a child with a disability under §300.8.

(e) The exception in paragraph (d)(2) of this section applies only if the subsequent public agency is making sufficient progress to ensure a prompt completion of the evaluation, and the parent and subsequent public agency agree to a specific time when the evaluation will be completed.

§300.302 Screening for instructional purposes is not evaluation. The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services.

§300.303 Reevaluations.

(a) General. A public agency must ensure that a reevaluation of each child with a disability is conducted in accordance with §§300.304 through 300.311--

(1) If the public agency determines that the educational or related services needs, including improved academic achievement and functional performance, of the child warrant a reevaluation; or

(2) If the child's parent or teacher requests a reevaluation.

(b) Limitation. A reevaluation conducted under paragraph (a) of this section--

(1) May occur not more than once a year, unless the parent and the public agency agree otherwise; and

(2) Must occur at least once every 3 years, unless the parent and the public agency agree that a reevaluation is unnecessary.

§300.304 Evaluation procedures.

(a) Notice. The public agency must provide notice to the parents of a child with a disability, in accordance with §300.503, that describes any evaluation procedures the agency proposes to conduct.

(b) Conduct of evaluation. In conducting the evaluation, the public agency must--

(1) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the child, including information provided by the parent, that may assist in determining--

(i) Whether the child is a child with a disability under §300.8; and

(ii) The content of the child's IEP, including information related to enabling the child to be involved in and progress in the general education curriculum (or for a preschool child, to participate in appropriate activities);

(2) Not use any single measure or assessment as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child; and

(3) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

(c) Other evaluation procedures. Each public agency must ensure that--

(1) Assessments and other evaluation materials used to assess a child under this part--

(i) Are selected and administered so as not to be discriminatory on a racial or cultural basis;

(ii) Are provided and administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer;

(iii) Are used for the purposes for which the assessments or measures are valid and reliable;

(iv) Are administered by trained and knowledgeable personnel; and

(v) Are administered in accordance with any instructions provided by the producer of the assessments.

(2) Assessments and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.

(3) Assessments are selected and administered so as best to ensure that if an assessment is administered to a child with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).

(4) The child is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities;

(5) Assessments of children with disabilities who transfer from one public agency to another public agency in the same school year are coordinated with those children's prior and subsequent schools, as necessary and as expeditiously as possible, consistent with §300.301(d)(2) and (e), to ensure prompt completion of full evaluations.

(6) In evaluating each child with a disability under §§300.304 through 300.306, the evaluation is sufficiently comprehensive to identify all of the child's special education and related services needs,

whether or not commonly linked to the disability category in which the child has been classified.

(7) Assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child are provided.

§300.305 Additional requirements for evaluations and reevaluations.

(a) Review of existing evaluation data. As part of an initial evaluation (if appropriate) and as part of any reevaluation under this part, the IEP Team and other qualified professionals, as appropriate, must--

(1) Review existing evaluation data on the child, including—

(i) Evaluations and information provided by the parents of the child;

(ii) Current classroom-based, local, or State assessments, and classroom-based observations; and

(iii) Observations by teachers and related services providers; and

(2) On the basis of that review, and input from the child’s parents, identify what additional data, if any, are needed to determine--

(i)(A) Whether the child is a child with a disability, as defined in §300.8, and the educational needs of the child; or

(B) In case of a reevaluation of a child, whether the child continues to have such a disability, and the educational needs of the child;

(ii) The present levels of academic achievement and related developmental needs of the child;

(iii)(A) Whether the child needs special education and related services; or

(B) In the case of a reevaluation of a child, whether the child continues to need special education and related services; and

(iv) Whether any additions or modifications to the special education and related services are needed to enable the child to meet the measurable annual goals set out in the IEP of the child and to participate, as appropriate, in the general education curriculum.

(b) Conduct of review. The group described in paragraph (a) of this section may conduct its review without a meeting.

(c) Source of data. The public agency must administer such assessments and other evaluation measures as may be needed to produce the data identified under paragraph (a) of this section.

(d) Requirements if additional data are not needed.

(1) If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the child continues to be a child with a disability, and to determine the child’s educational needs, the public agency must notify the child’s parents of—

(i) That determination and the reasons for the determination; and

(ii) The right of the parents to request an assessment to determine whether the child continues to be a child with a disability, and to determine the child’s educational needs.

(2) The public agency is not required to conduct the assessment described in paragraph (d)(1)(ii) of this section unless requested to do so by the child’s parents.

(e) Evaluations before change in eligibility.

(1) Except as provided in paragraph (e)(2) of this section, a public agency must evaluate a child with a disability in accordance with §§300.304 through 300.311 before determining that the child is no longer a child with a disability.

(2) The evaluation described in paragraph (e)(1) of this section is not required before the termination of a child’s eligibility under this part due to graduation from secondary school with a regular

diploma, or due to exceeding the age eligibility for FAPE under State law.

(3) For a child whose eligibility terminates under circumstances described in paragraph (e)(2) of this section, a public agency must provide the child with a summary of the child’s academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child’s postsecondary goals.

§300.306 Determination of eligibility.

(a) General. Upon completion of the administration of assessments and other evaluation measures--

(1) A group of qualified professionals and the parent of the child determines whether the child is a child with a disability, as defined in §300.8, in accordance with paragraph (b) of this section and the educational needs of the child; and

(2) The public agency provides a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

(b) Special rule for eligibility determination. A child must not be determined to be a child with a disability under this part--

(1) If the determinant factor for that determination is--

(i) Lack of appropriate instruction in reading, including the essential components of reading instruction (as defined in section 1208(3) of the ESEA) as such section was in effect on the day before the date of enactment of the Every Student Succeeds Act (December 9, 2015);

(ii) Lack of appropriate instruction in math; or

(iii) Limited English proficiency; and

(2) If the child does not otherwise meet the eligibility criteria under §300.8(a).

(c) Procedures for determining eligibility and educational need. (1) In interpreting evaluation data for the purpose of determining if a child is a child with a disability under §300.8, and the educational needs of the child, each public agency must--

(i) Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the child’s physical condition, social or cultural background, and adaptive behavior; and

(ii) Ensure that information obtained from all of these sources is documented and carefully considered.

(2) If a determination is made that a child has a disability and needs special education and related services, an IEP must be developed for the child in accordance with §§300.320 through 300.324.

Additional Procedures for Identifying Children With Specific Learning Disabilities

§300.307 Specific learning disabilities.

(a) General. A State must adopt, consistent with §300.309, criteria for determining whether a child has a specific learning disability as defined in §300.8(c)(10). In addition, the criteria adopted by the State--

(1) Must not require the use of a severe discrepancy between intellectual ability and achievement for determining whether a child has a specific learning disability, as defined in §300.8(c)(10);

(2) Must permit the use of a process based on the child’s response to scientific, research-based intervention; and

(3) May permit the use of other alternative research-based procedures for determining whether a child has a specific learning disability, as defined in §300.8(c)(10).

(b) Consistency with State criteria. A public agency must use the State criteria adopted pursuant to paragraph (a) of this section in determining whether a child has a specific learning disability.

§300.308 Additional group members. The determination of whether a child suspected of having a specific learning disability is a child with a disability as defined in §300.8, must be made by the child’s parents and a team of qualified professionals, which must include—

- (a)(1) The child’s regular teacher; or
 - (2) If the child does not have a regular teacher, a regular classroom teacher qualified to teach a child of his or her age; or
 - (3) For a child of less than school age, an individual qualified by the SEA to teach a child of his or her age; and
- (b) At least one person qualified to conduct individual diagnostic examinations of children, such as a school psychologist, speech-language pathologist, or remedial reading teacher.

§300.309 Determining the existence of a specific learning disability.

(a) The group described in §300.306 may determine that a child has a specific learning disability, as defined in §300.8(c)(10), if--

(1) The child does not achieve adequately for the child’s age or to meet State-approved grade-level standards in one or more of the following areas, when provided with learning experiences and instruction appropriate for the child’s age or State-approved grade-level standards:

- (i) Oral expression.
- (ii) Listening comprehension.
- (iii) Written expression.
- (iv) Basic reading skill.
- (v) Reading fluency skills.
- (vi) Reading comprehension.
- (vii) Mathematics calculation.
- (viii) Mathematics problem solving.

(2)(i) The child does not make sufficient progress to meet age or State-approved grade-level standards in one or more of the areas identified in paragraph (a)(1) of this section when using a process based on the child’s response to scientific, research-based intervention; or

(ii) The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, State-approved grade-level standards, or intellectual development, that is determined by the group to be relevant to the identification of a specific learning disability, using appropriate assessments, consistent with §§300.304 and 300.305; and

(3) The group determines that its findings under paragraphs (a)(1) and (2) of this section are not primarily the result of--

- (i) A visual, hearing, or motor disability;
- (ii) intellectual disability;
- (iii) Emotional disturbance;
- (iv) Cultural factors;
- (v) Environmental or economic disadvantage; or
- (vi) Limited English proficiency.

(b) To ensure that underachievement in a child suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group must consider, as part of the evaluation described in §§300.304 through 300.306--

(1) Data that demonstrate that prior to, or as a part of, the referral process, the child was provided appropriate instruction in regular education settings, delivered by qualified personnel; and

(2) Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of student progress during instruction, which was provided to the child's parents.

(c) The public agency must promptly request parental consent to evaluate the child to determine if the child needs special education and related services, and must adhere to the timeframes described in §§300.301 and 300.303, unless extended by mutual written agreement of the child's parents and a group of qualified professionals, as described in §300.306(a)(1)--

(1) If, prior to a referral, a child has not made adequate progress after an appropriate period of time when provided instruction, as described in paragraphs (b)(1) and (b)(2) of this section; and

(2) Whenever a child is referred for an evaluation.

§300.310 Observation.

(a) The public agency must ensure that the child is observed in the child's learning environment (including the regular classroom setting) to document the child's academic performance and behavior in the areas of difficulty.

(b) The group described in §300.306(a)(1), in determining whether a child has a specific learning disability, must decide to--

(1) Use information from an observation in routine classroom instruction and monitoring of the child's performance that was done before the child was referred for an evaluation; or

(2) Have at least one member of the group described in §300.306(a)(1) conduct an observation of the child's academic performance in the regular classroom after the child has been referred for an evaluation and parental consent, consistent with §300.300(a), is obtained.

(c) In the case of a child of less than school age or out of school, a group member must observe the child in an environment appropriate for a child of that age.

§300.311 Specific documentation for the eligibility determination.

(a) For a child suspected of having a specific learning disability, the documentation of the determination of eligibility, as required in §300.306(a)(2), must contain a statement of--

(1) Whether the child has a specific learning disability;

(2) The basis for making the determination, including an assurance that the determination has been made in accordance with §300.306(c)(1);

(3) The relevant behavior, if any, noted during the observation of the child and the relationship of that behavior to the child's academic functioning;

(4) The educationally relevant medical findings, if any;

(5) Whether--

(i) The child does not achieve adequately for the child's age or to meet State-approved grade-level standards consistent with §300.309(a)(1); and

(ii)(A) The child does not make sufficient progress to meet age or State-approved grade-level standards consistent with §300.309(a)(2)(i); or

(B) The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, State-approved grade level standards or intellectual development consistent with §300.309(a)(2)(ii);

(6) The determination of the group concerning the effects of a visual, hearing, or motor disability; intellectual disability; emotional disturbance; cultural factors; environmental or economic disadvantage; or limited English proficiency on the child’s achievement level; and

(7) If the child has participated in a process that assesses the child’s response to scientific, research-based intervention--

(i) The instructional strategies used and the student-centered data collected; and

(ii) The documentation that the child’s parents were notified about--

(A) The State’s policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided;

(B) Strategies for increasing the child’s rate of learning; and

(C) The parents’ right to request an evaluation.

(b) Each group member must certify in writing whether the report reflects the member’s conclusion. If it does not reflect the member’s conclusion, the group member must submit a separate statement presenting the member’s conclusions.

(b) The LEA shall comply with 34 CFR 300.302-305 relative to evaluation procedures and reevaluation. The child’s educational history shall be reviewed, including identification of the child’s past opportunities to have acquired important skills and information.

§§300.301 – 300.311 – See Ed 1107.01(a)

(c) For initial evaluations, the evaluation process, as defined in Ed 1102.02(n), shall be completed within 60 days after receipt of parental consent to evaluate.

(d) For reevaluations, the evaluation process as defined in Ed 1102.02(n) shall be completed within 60 days after the receipt of parental consent to evaluate, or at the conclusion of any extension provided in Ed 1107.01(e).

(e) Upon written consent of the parties, the 60 day time limit required by Ed 1107.01(d) may be extended by a specific number of days, not to exceed 30 days.

(f) For children served by family centered early supports and services, the evaluation process, including a written summary report, shall be completed prior to the child’s third birthday.

(g) If a referral is ordered by a court pursuant to RSA 169-B:22, 169-C:20 or 169-D:18, upon the receipt of the order for referral, the IEP team shall, within 15 business days of the referral, determine whether the concerns raised by the referral can be addressed utilizing existing pupil support services available to all children, whether additional information is required, and what testing, if any, is needed to address any remaining concerns raised by the referral about how the referral is determined.

169-B:22 Disposition of a Minor With a Disability. –

I. At any point during the proceedings, the court may, either on its own motion or that of any other person, and if the court contemplates a residential placement, the court shall immediately, join the legally

liable school district for the limited purposes of directing the school district to determine whether the minor is a child with a disability or of directing the school district to review the services offered or provided under RSA 186-C, if the minor has already been determined to be a child with a disability. If the court orders the school district to determine whether the minor is a child with a disability, the school district shall make this determination by treating the order as the equivalent of a referral by the child's parent for special education, and shall conduct any team meetings or evaluations that are required under law when a school district receives a referral by a child's parent.

II. Once joined as a party, the legally liable school district shall have full access to all records maintained by the district court under this chapter. The school district shall also report to the court its determination of whether the minor is a child with a disability, and the basis for such determination. If the child is determined to be a child with a disability, the school district shall make a recommendation to the court as to where the child's educational needs can be met in accordance with state and federal education laws. In cases where the court does not follow the school district's recommendation, the court shall issue written findings explaining why the recommendation was not followed.

III. If the school district finds or has found that the minor has a disability, or if it is found that the minor is a child with a disability on appeal from the school district's decision in accordance with the due process procedures of RSA 186-C, the school district shall offer an appropriate educational program and placement in accordance with RSA 186-C. Financial liability for such education program shall be as determined in RSA 186-C:19-b.

IV. In an administrative due process hearing conducted by the department of education pursuant to RSA 186-C, a school district may provide a hearing officer with information from district court records which the school district has accessed pursuant to paragraph II of this section, provided that:

(a) At least 20 days prior to providing any records to the hearing officer, the school district files notice of its intention to do so with the court and all parties to the proceedings, and no party objects to the release of records;

(b) The notice filed by a school district under this section shall include, on a separate sheet of paper, the following statement in bold typeface: "Persons subject to juvenile proceedings have important rights to the confidentiality of juvenile court proceedings. This notice requests the disclosure of some or all of that information. If you object to the disclosure of information, you must file a written objection with the court no later than 10 days after the filing of the school district's notice. If you fail to object in writing, the court may allow private information to be revealed to the New Hampshire Department of Education hearing officer."; and

(c) Any objection by a party shall be filed with the court no later than 10 days after the filing of the school district's notice with the court, unless such time is extended by the court for good cause.

V. The court may, on its own initiative and no later than 13 days after the filing of the school district's notice to the court, issue an order directing the school district to show cause as to why the information should be disclosed to the hearing officer. Upon receipt of an objection or issuance of a show cause order, the court shall schedule an expedited hearing on the matter to determine if the requested records may be released. The court may rule without a hearing if the school district and a parent or legal guardian or the juvenile, if he or she has reached the age of majority, agree in writing to waive a hearing. Upon the filing of an objection or show cause order, the school district may file a reply explaining why the school district believes that the information should be disclosed to the hearing officer. In determining whether to

authorize the disclosure of the information requested by the school district, the court shall balance the importance of disclosure of the records to a fair and accurate determination of the merits against the privacy interests of the parties to the proceedings, and render a written decision setting forth its findings and rulings. No information released to a hearing officer pursuant to this paragraph shall be disclosed to any other person or entity without the written permission of the court, the child's parent or legal guardian, or the juvenile if he or she has reached the age of majority, except that a court conducting an appellate review of an administrative due process hearing shall have access to the same information released to a hearing officer pursuant to this paragraph.

VI. In this section, "child with a disability" shall be as defined in RSA 186-C.

169-C:20 Disposition of a Child With a Disability. –

I. At any point during the proceedings, the court may, either on its own motion or that of any other person, and if the court contemplates a residential placement, the court shall immediately, join the legally liable school district for the limited purposes of directing the school district to determine whether the child is a child with a disability or of directing the school district to review the services offered or provided under RSA 186-C if the child had already been determined to be a child with a disability. If the court orders the school district to determine whether the minor is a child with a disability, the school district shall make this determination by treating the order as the equivalent of a referral by the child's parent for special education, and shall conduct any team meetings or evaluations that are required under law when a school district receives a referral by a child's parent.

II. Once joined as a party, the legally liable school district shall have full access to all records maintained by the district court under this chapter. The school district shall also report to the court its determination of whether the minor is a child with a disability, and the basis for such determination. If the child is determined to be a child with a disability, the school district shall make a recommendation to the court as to where the child's educational needs can be met in accordance with state and federal education laws. In cases where the court does not follow the school district's recommendation, the court shall issue written findings explaining why the recommendation was not followed.

III. If the school district finds or has found that the child is a child with a disability, or if it is found that the child is a child with a disability on appeal from the school district's decision in accordance with the due process procedures of RSA 186-C, the school district shall offer an appropriate educational program and placement in accordance with RSA 186-C. Financial liability for such education program shall be as determined in RSA 186-C:19-b.

IV. In an administrative due process hearing conducted by the department of education pursuant to RSA 186-C, a school district shall not provide a hearing officer with information from or copies of records maintained by the court which the school district has accessed pursuant to paragraph II of this section, unless the court issues an order authorizing such a release by the school district in accordance with the following:

(a) A school district seeking such authorization shall file a motion with the court describing the need for the disclosure in the department of education proceeding, with copies delivered to all parties on the same day the motion is filed with the court;

(b) A motion filed by a school district under this provision shall include, on a separate sheet of paper, the following statement in bold typeface: "Persons subject to juvenile proceedings have important rights

to the confidentiality of juvenile court proceedings. This motion requests the disclosure of some of that information. If you object to the disclosure of information, you must file a written objection with the court no later than 10 days after the filing of the school district's notice. If you fail to object in writing, the court may allow private information to be revealed to the New Hampshire Department of Education hearing officer."; and

(c) Any objection by a party shall be filed with the court no later than 10 days after the filing of the school district's notice with the court, unless such time is extended by the court for good cause.

V. The court shall schedule an expedited hearing on the matter to determine if such information may be released. The court may rule without a hearing if there is no objection filed or if the school district and a parent or legal guardian or the juvenile, if he or she has reached the age of majority, agree in writing to waive a hearing. In determining whether to authorize the disclosure of the information requested by the school district, the court shall balance the importance of disclosure of the records to a fair and accurate determination of the merits against the privacy interests of the parties to the proceedings, and render a written decision setting forth its findings and rulings. No information released to a hearing officer pursuant to this paragraph shall be disclosed to any other person or entity without the written permission of the court, the child's parent or legal guardian, or the juvenile if he or she has reached the age of majority, except that any court reviewing an administrative due process hearing on appeal shall have access to the same information released to a hearing officer pursuant to this paragraph.

VI. In this section, "child with a disability" shall be as defined in RSA 186-C.

169-D:18 Disposition of Child With a Disability. –

I. At any point during the proceedings, the court may, either on its own motion or that of any other person, and if the court contemplates a residential placement, the court shall immediately, join the legally liable school district for the limited purposes of directing the school district to determine whether the child is a child with a disability as defined in RSA 186-C or of directing the school district to review the services offered or provided under RSA 186-C if the child has already been determined to be a child with a disability. If the court orders the school district to determine whether the minor is a child with a disability, the school district shall make this determination by treating the order as the equivalent of a referral by the child's parent for special education, and shall conduct any team meetings or evaluations that are required under law when a school district receives a referral by a child's parent.

In cases where the court does not follow the school district's recommendation, the court shall issue written findings explaining why the recommendation was not followed.

III. If the school district finds or has found that the child is a child with a disability, or if it is found that the child is a child with a disability on appeal from the school district's decision in accordance with the due process procedures of RSA 186-C, the school district shall offer an appropriate educational program and placement in accordance with RSA 186-C. Financial liability for such educational program shall be as determined in RSA 186-C:19-b.

IV. In an administrative due process hearing conducted by the department of education pursuant to RSA 186-C, a school district may provide a hearing officer with information from district court records which the school district has accessed pursuant to paragraph II of this section, provided that:

(a) At least 20 days prior to providing any records to the hearing officer, the school district files notice of its intention to do so with the court and all parties to the proceedings, and no party objects to the release of records.

(b) The notice filed by a school district under this provision shall include, on a separate sheet of paper, the following statement in bold typeface: "Persons subject to juvenile proceedings have important rights to the confidentiality of juvenile court proceedings. (c) Any objection by a party shall be filed with the court no later than 10 days after the filing of the school district's notice with the court, unless such time is extended by the court for good cause.

V. The court may, on its own initiative and no later than 13 days after the filing of the school district's notice to the court, issue an order directing the school district to show cause why the information should be disclosed to the hearing officer. Upon receipt of an objection or issuance of a show cause order, the court shall schedule an expedited hearing on the matter to determine if the requested records may be released. The court may rule without a hearing if the school district and a parent or legal guardian or the juvenile, if he or she has reached the age of majority, agree in writing to waive a hearing. Upon the filing of an objection or show cause order, the school district may file a reply explaining why the school district believes that the information should be disclosed to the hearing officer. In determining whether to authorize the disclosure of the information requested by the school district, the court shall balance the importance of disclosure of the records to a fair and accurate determination of the merits against the privacy interests of the parties to the proceedings, and render a written decision setting forth its findings and rulings. No information released to a hearing officer pursuant to this paragraph shall be disclosed to any other person or entity without the written permission of the court, the child's parent or legal guardian, or the juvenile if he or she has reached the age of majority, except that a court conducting an appellate review of an administrative due process hearing shall have access to the same information released to a hearing officer pursuant to this paragraph.

VI. In this section, "child with a disability" shall be as defined in RSA 186-C.

(h) All of the requirements for diagnostic information specified in Ed 1107 shall apply to the selection, administration, and interpretation of vocational assessments.

(i) The LEA shall comply with 34 CFR 300.301 - 311 relative to determining the existence of a disability.

§§300.301 – 300.311 – See Ed 1107.01(a)

Ed 1107.02 Evaluation Requirements for Children with Specific Learning Disabilities.

(a) For purposes of evaluating whether a child has a specific learning disability, one or more of the following criteria shall be used:

- (1) A discrepancy model between intellectual skills and achievements;
- (2) A process that determines if the child responds to scientific, research-based intervention as part of the evaluation procedures described in 34 CFR 300.307(a)(2); and
- (3) Other alternative research-based procedures as described in 34 CFR 300.307(a)(3).

§§300.301 – 300.311 – See Ed 1107.01(a)

(b) Each LEA shall adopt a policy describing the evaluation procedures and standards that will be used to evaluate whether a child has a specific learning disability.

Ed 1107.03 Independent Educational Evaluations.

(a) The expense incurred in any LEA evaluation procedure recommended by the IEP team shall not be the financial obligation of the parent but shall be the responsibility of the LEA or other financial resources such as, but not limited to, another public agency or Medicaid.

(b) The LEA shall comply with 34 CFR 300.502, relative to independent educational evaluation.

§300.502 Independent educational evaluation.

(a) General. (1) The parents of a child with a disability have the right under this part to obtain an independent educational evaluation of the child, subject to paragraphs (b) through (e) of this section.

(2) Each public agency must provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the agency criteria applicable for independent educational evaluations as set forth in paragraph (e) of this section.

(3) For the purposes of this subpart--

(i) Independent educational evaluation means an evaluation conducted by a qualified examiner who is not employed by the public agency responsible for the education of the child in question; and

(ii) Public expense means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with §300.103.

(b) Parent right to evaluation at public expense.

(1) A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in paragraphs (b)(2) through (4) of this section.

(2) If a parent requests an independent educational evaluation at public expense, the public agency must, without unnecessary delay, either--

(i) File a due process complaint to request a hearing to show that its evaluation is appropriate; or

(ii) Ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§300.507 through 300.513 that the evaluation obtained by the parent did not meet agency criteria.

(3) If the public agency files a due process complaint notice to request a hearing and the final decision is that the agency's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

(4) If a parent requests an independent educational evaluation, the public agency may ask for the parent's reason why he or she objects to the public evaluation. However, the public agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation.

(5) A parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

(c) Parent-initiated evaluations. If the parent obtains an independent educational evaluation at public expense or shares with the public agency an evaluation obtained at private expense, the results of the evaluation--

(1) Must be considered by the public agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the child; and

(2) May be presented by any party as evidence at a hearing on a due process complaint under subpart E of this part regarding that child.

(d) Requests for evaluations by hearing officers. If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

(e) Agency criteria.

(1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

(2) Except for the criteria described in paragraph (e)(1) of this section, a public agency may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

(c) The agency criteria determined by the LEA, as described in 34 CFR 300.502(a)(2) and 300.502(e), to the extent that they exceed qualified examiner criteria or establish geographic limitations, shall not be so restrictive that the parent does not have a choice of independent evaluators.

(c) Qualified examiners shall administer and interpret test results and provide written reports to the LEA.

(d) The LEA shall provide parents with copies of each examiner’s evaluation and assessment report(s) at least 5 days prior to the meeting of the IEP team at which the evaluation and assessment report(s) will be discussed. The LEA shall provide the report(s) by sending the report(s) to the parents via US mail unless the parents and the LEA agree upon another method.

(e) The parent may waive, in writing, paragraph d.

Ed 1107.05 Evaluation Report.

(a) The IEP team determining the child’s disabilities shall develop a written summary containing the results of the various diagnostic findings and forward a copy of the report to the parent and a copy to the LEA for the child’s records. The report shall be written after the child’s initial evaluation and thereafter if the public agency and the parent, consistent with 34 CFR 300.303, determine that a reevaluation will be conducted.

§300.303 Reevaluations.

(a) General. A public agency must ensure that a reevaluation of each child with a disability is conducted in accordance with §§300.304 through 300.311--

(1) If the public agency determines that the educational or related services needs, including improved academic achievement and functional performance, of the child warrant a reevaluation; or

(2) If the child’s parent or teacher requests a reevaluation.

(b) Limitation. A reevaluation conducted under paragraph (a) of this section--

(1) May occur not more than once a year, unless the parent and the public agency agree otherwise; and

(2) Must occur at least once every 3 years, unless the parent and the public agency agree that a reevaluation is unnecessary.

(b) The report shall include, but not be limited to:

(1) The results of each evaluation procedure, test, record, or report;

(2) A written summary of the findings of the procedure, test, record, or report; and

(3) Information regarding the parent’s rights of appeal in accordance with Ed 1123 and a description of the parent’s right to an independent evaluation in accordance with Ed 1107.03.

PART Ed 1108 DETERMINATION OF ELIGIBILITY FOR SPECIAL EDUCATION

Ed 1108.01 Determination of Eligibility for Special Education.

(a) The LEA shall comply with 34 CFR 300.301-311 relative to determination of eligibility.

§§300.301 – 300.311 – See Ed 1107.01(a)

(b) For determination of eligibility, the composition of the IEP team described in 34 CFR 300.306 shall be the IEP team.

§300.306 Determination of eligibility.

(a) General. Upon completion of the administration of assessments and other evaluation measures--

(1) A group of qualified professionals and the parent of the child determines whether the child is a child with a disability, as defined in §300.8, in accordance with paragraph (b) of this section and the educational needs of the child; and

(2) The public agency provides a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

(b) Special rule for eligibility determination. A child must not be determined to be a child with a disability under this part--

(1) If the determinant factor for that determination is--

(i) Lack of appropriate instruction in reading, including the essential components of reading instruction (as defined in section 1208(3) of the ESEA) as such section was in effect on the day before the date of enactment of the Every Student Succeeds Act (December 9, 2015);

~ ~ **NOTE: §300.306(b)(1)(i) was revised by amendment on 6/30/2017 as shown above.**

(ii) Lack of appropriate instruction in math; or

(iii) Limited English proficiency; and

(2) If the child does not otherwise meet the eligibility criteria under §300.8(a).

(c) Procedures for determining eligibility and educational need. (1) In interpreting evaluation data for the purpose of determining if a child is a child with a disability under §300.8, and the educational needs of the child, each public agency must--

(i) Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the child's physical condition, social or cultural background, and adaptive behavior; and

(ii) Ensure that information obtained from all of these sources is documented and carefully considered.

(2) If a determination is made that a child has a disability and needs special education and related services, an IEP must be developed for the child in accordance with §§300.320 through 300.324.

§§300.301 – 300.311 – See Ed 1107.01(a)

PART Ed 1109 THE INDIVIDUALIZED EDUCATION PROGRAM

determine its fitness for such purpose, and if he finds that such vehicle is unfit, he may refuse to permit it to be designated as a school bus. Said inspection shall be made before any motor vehicle transporting school children to any school is used for said transportation. The director shall cause to be issued some identification if such vehicle is approved as a school bus.

(b) All drivers of such vehicles shall be licensed according to Saf-C 1304.

PART Saf-C 1304 DRIVER REQUIREMENTS

Such authority shall submit the list of names to the department requesting an investigation of each driver's criminal and motor vehicle record. If such driver is found to be qualified to bear the responsibility of such transportation, the division shall cause said driver to be examined under the rules adopted pursuant to RSA 265:58. No person shall drive a school bus unless he has satisfactorily passed the special examination for said driving and received from the division a special school bus driver's certificate. The director may revoke such special school bus driver's certificate for good cause shown.

Ed 1109.03 When an IEP Is in Effect; IEP Meetings; Development, Review, and Revision of an IEP; Transition Services.

(a) The LEA shall provide special education, related services, supplementary aids and services, accommodations, and modifications to a child with a disability in accordance with the child's IEP. IEPs shall be in effect in accordance with 34 CFR 300.323.

§300.323 When IEPs must be in effect.

(a) General. At the beginning of each school year, each public agency must have in effect, for each child with a disability within its jurisdiction, an IEP, as defined in §300.320.

(b) IEP or IFSP for children aged three through five.

(1) In the case of a child with a disability aged three through five (or, at the discretion of the SEA, a two-year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described

in section 636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is--

- (i) Consistent with State policy; and
 - (ii) Agreed to by the agency and the child's parents.
- (2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must--

(i) Provide to the child's parents a detailed explanation of the differences between an IFSP and an IEP; and

- (ii) If the parents choose an IFSP, obtain written informed consent from the parents.

(c) Initial IEPs; provision of services. Each public agency must ensure that--

(1) A meeting to develop an IEP for a child is conducted within 30 days of a determination that the child needs special education and related services; and

(2) As soon as possible following development of the IEP, special education and related services are made available to the child in accordance with the child's IEP.

(d) Accessibility of child's IEP to teachers and others. Each public agency must ensure that--

(1) The child's IEP is accessible to each regular education teacher, special education teacher, related services provider, and any other service provider who is responsible for its implementation; and

(2) Each teacher and provider described in paragraph (d)(1) of this section is informed of--

- (i) His or her specific responsibilities related to implementing the child's IEP; and

(ii) The specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

(e) IEPs for children who transfer public agencies in the same State. If a child with a disability (who had an IEP that was in effect in a previous public agency in the same State) transfers to a new public agency in the same State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child's IEP from the previous public agency), until the new public agency either--

(1) Adopts the child's IEP from the previous public agency; or

(2) Develops, adopts, and implements a new IEP that meets the applicable requirements in §§300.320 through 300.324.

(f) IEPs for children who transfer from another State. If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a public agency in a new State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child's IEP from the previous public agency), until the new public agency--

(1) Conducts an evaluation pursuant to §§300.304 through 300.306 (if determined to be necessary by the new public agency); and

(2) Develops, adopts, and implements a new IEP, if appropriate, that meets the applicable requirements in §§300.320 through 300.324.

(g) Transmittal of records. To facilitate the transition for a child described in paragraphs (e) and (f) of this section--

(1) The new public agency in which the child enrolls must take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous public agency in which the child was enrolled, pursuant to 34 CFR 99.31(a)(2); and

(2) The previous public agency in which the child was enrolled must take reasonable steps to promptly respond to the request from the new public agency.

§300.324 – See Ed 1102.03(h)

(b) In the case of a child with a disability aged 3 through 5 or a two-year-old child with a disability who will turn age 3 during the school year when the LEA offers special education services to children with disabilities prior to age 3, the IEP team shall consider the contents of an IFSP in accordance with 34 CFR 300.323(b).

§300.323(b) – See Ed 1109.03(a)

(c) For children whose unique educational needs require IEPs which exceed the standard school year, the requirements of Ed 1110.01 shall be followed.

(d) The IEP shall be reviewed at least annually and, if necessary, revised. The IEP shall comply with 34 CFR 300.323, specifying when IEPs shall be in effect, including an IEP or IFSP for children with disabilities ages 3 through 5 or for a 2- year-old child with a disability who will turn 3 years of age during the school year.

§300.323 – See Ed 1109.03(a)

(e) The IEP team shall determine the appropriate length of an IEP, which shall not exceed 12 months without review and approval by the IEP team.

(f) The child's educational history shall be reviewed, including identification of the child's past opportunities to have acquired important skills and information.

(g) IEP meetings shall be conducted in accordance with 34 CFR 300.324(b).

§300.324(b) Review and revision of IEPs.

(1) General. Each public agency must ensure that, subject to paragraphs (b)(2) and (b)(3) of this section, the IEP Team--

(i) Reviews the child's IEP periodically, but not less than annually, to determine whether the annual goals for the child are being achieved; and

(ii) Revises the IEP, as appropriate, to address--

(A) Any lack of expected progress toward the annual goals described in §300.320(a)(2), and in the general education curriculum, if appropriate;

(B) The results of any reevaluation conducted under §300.303;

(C) Information about the child provided to, or by, the parents, as described under §300.305(a)(2);

(D) The child’s anticipated needs; or

(E) Other matters.

(2) Consideration of special factors. In conducting a review of the child’s IEP, the IEP Team must consider the special factors described in paragraph (a)(2) of this section.

(3) Requirement with respect to regular education teacher. A regular education teacher of the child, as a member of the IEP Team, must, consistent with paragraph (a)(3) of this section, participate in the review and revision of the IEP of the child.

(c) Failure to meet transition objectives. (1) Participating agency failure. If a participating agency, other than the public agency, fails to provide the transition services described in the IEP in accordance with §300.320(b), the public agency must reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the child set out in the IEP.

(2) Construction. Nothing in this part relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to children with disabilities who meet the eligibility criteria of that agency.

(d) Children with disabilities in adult prisons. (1) Requirements that do not apply. The following requirements do not apply to children with disabilities who are convicted as adults under State law and incarcerated in adult prisons:

(i) The requirements contained in section 612(a)(16) of the Act and §300.320(a)(6) (relating to participation of children with disabilities in general assessments).

(ii) The requirements in §300.320(b) (relating to transition planning and transition services) do not apply with respect to the children whose eligibility under Part B of the Act will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

(2) Modifications of IEP or placement. (i) Subject to paragraph (d)(2)(ii) of this section, the IEP Team of a child with a disability who is convicted as an adult under State law and incarcerated in an adult prison may modify the child’s IEP or placement if the State has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

(ii) The requirements of §§300.320 (relating to IEPs), and 300.114 (relating to LRE), do not apply with respect to the modifications described in paragraph (d)(2)(i) of this section.

~ ~ **NOTE: §300.324(d)(2)(ii) was revised by amendment on 6/30/2017 to correct the cross reference: §300.114 (was §300.112).**

(h) Development, review, and revision of an IEP shall be in accordance with 34 CFR 300.324 and, when appropriate, for children with disabilities who are functionally blind, in accordance with RSA 186-C:7-b.

RSA 186-C:7-b Braille Instruction for Functionally Blind Pupils. – In developing the individualized education program for a functionally blind pupil, there shall be:

I. A presumption that proficiency in Braille reading and writing is essential for the pupil's satisfactory educational progress. Every functionally blind pupil shall be entitled to Braille reading and writing instruction unless all members of the pupil's special education team concur that instruction in Braille or

the use of Braille is not appropriate for the pupil.

II. Instruction in Braille shall be provided by a teacher certified by the state department of education to teach pupils with visual impairment.

III. An initial learning media assessment by a teacher certified in the education of pupils with visual impairment shall be conducted. This assessment shall be conducted every 3 years and reviewed annually.

§300.324 – See Ed 1102.03(h)

(i) Transition services may be provided by a participating agency other than the LEA consistent with 34 CFR 300.324(c) to ensure there is no interruption in the services detailed in the child's IEP.

§300.324 (c) Failure to meet transition objectives. (1) Participating agency failure. If a participating agency, other than the public agency, fails to provide the transition services described in the IEP in accordance with §300.320(b), the public agency must reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the child set out in the IEP.

(2) Assurance. If the State does not have policies and procedures to ensure compliance with paragraph (b)(1) of this section, the State must provide the Secretary an assurance that the State will revise the funding mechanism as soon as feasible to ensure that the mechanism does not result in placements that violate that paragraph.

PART Ed 1112 PARENTALLY PLACED CHILDREN WITH DISABILITIES

Ed 1112.01 Parentally Placed Children with Disabilities When FAPE Is Not At Issue. The provisions of 34 CFR 300.130 through 34 CFR 300.144 shall govern the provision of special education and related services to children with disabilities who are not covered by Ed 1112.02 or Ed 1112.03.

§300.130 Definition of parentally-placed private school children with disabilities. Parentally-placed private school children with disabilities means children with disabilities enrolled by their parents in private, including religious, schools or facilities that meet the definition of elementary school in §300.13 or secondary school in §300.36, other than children with disabilities covered under §§300.145 through 300.147.

§300.131 Child find for parentally-placed private school children with disabilities.

(a) General. Each LEA must locate, identify, and evaluate all children with disabilities who are enrolled by their parents in private, including religious, elementary schools and secondary schools located in the school district served by the LEA, in accordance with paragraphs (b) through (e) of this section, and §§300.111 and 300.201.

(b) Child find design. The child find process must be designed to ensure--

- (1) The equitable participation of parentally-placed private school children; and
- (2) An accurate count of those children.

(c) Activities. In carrying out the requirements of this section, the LEA, or, if applicable, the SEA, must undertake activities similar to the activities undertaken for the agency's public school children.

(d) Cost. The cost of carrying out the child find requirements in this section, including individual evaluations, may not be considered in determining if an LEA has met its obligation under §300.133.

(e) Completion period. The child find process must be completed in a time period comparable to that for students attending public schools in the LEA consistent with §300.301.

(f) Out-of-State children. Each LEA in which private, including religious, elementary schools and secondary schools are located must, in carrying out the child find requirements in this section, include parentally-placed private school children who reside in a State other than the State in which the private schools that they attend are located.

§300.132 Provision of services for parentally-placed private school children with disabilities--basic requirement.

(a) General. To the extent consistent with the number and location of children with disabilities who are enrolled by their parents in private, including religious, elementary schools and secondary schools located in the school district served by the LEA, provision is made for the participation of those children in the program assisted or carried out under Part B of the Act by providing them with special education and related services, including direct services determined in accordance with §300.137, unless the Secretary has arranged for services to those children under the by-pass provisions in §§300.190 through 300.198.

(b) Services plan for parentally-placed private school children with disabilities. In accordance with paragraph (a) of this section and §§300.137 through 300.139, a services plan must be developed and

implemented for each private school child with a disability who has been designated by the LEA in which the private school is located to receive special education and related services under this part.

(c) Record keeping. Each LEA must maintain in its records, and provide to the SEA, the following information related to parentally-placed private school children covered under §§300.130 through 300.144:

- (1) The number of children evaluated;
- (2) The number of children determined to be children with disabilities; and
- (3) The number of children served.

§300.133 Expenditures.

(a) Formula. To meet the requirement of §300.132(a), each LEA must spend the following on providing special education and related services (including direct services) to parentally-placed private school children with disabilities:

(1) For children aged 3 through 21, an amount that is the same proportion of the LEA's total sub grant under section 611(f) of the Act as the number of private school children with disabilities aged 3 through 21 who are enrolled by their parents in private, including religious, elementary schools and secondary schools located in the school district served by the LEA, is to the total number of children with disabilities in its jurisdiction aged 3 through 21.

(2)(i) For children aged three through five, an amount that is the same proportion of the LEA's total sub grant under section 619(g) of the Act as the number of parentally-placed private school children with disabilities aged three through five who are enrolled by their parents in a private, including religious, elementary school located in the school district served by the LEA, is to the total number of children with disabilities in its jurisdiction aged three through five.

(ii) As described in paragraph (a)(2)(i) of this section, children aged three through five are considered to be parentally-placed private school children with disabilities enrolled by their parents in private, including religious, elementary schools, if they are enrolled in a private school that meets the definition of elementary school in §300.13.

(3) If an LEA has not expended for equitable services all of the funds described in paragraphs (a) (1) and (a) (2) of this section by the end of the fiscal year for which Congress appropriated the funds, the LEA must obligate the remaining funds for special education and related services (including direct services) to parentally-placed private school children with disabilities during a carry-over period of one additional year.

(b) Calculating proportionate amount. In calculating the proportionate amount of Federal funds to be provided for parentally-placed private school children with disabilities, the LEA, after timely and meaningful consultation with representatives of private schools under §300.134, must conduct a thorough and complete child find process to determine the number of parentally-placed children with disabilities attending private schools located in the LEA. (See Appendix B for an example of how proportionate share is calculated).

(c) Annual count of the number of parentally-placed private school children with disabilities.

(1) Each LEA must--

(i) After timely and meaningful consultation with representatives of parentally-placed private

school children with disabilities (consistent with §300.134), determine the number of parentally-placed private school children with disabilities attending private schools located in the LEA; and

(ii) Ensure that the count is conducted on any date between October 1 and December 1, inclusive, of each year.

(2) The count must be used to determine the amount that the LEA must spend on providing special education and related services to parentally-placed private school children with disabilities in the next subsequent fiscal year.

(d) Supplement, not supplant. State and local funds may supplement and in no case supplant the proportionate amount of Federal funds required to be expended for parentally-placed private school children with disabilities under this part.

§300.134 Consultation.

To ensure timely and meaningful consultation, an LEA, or, if appropriate, an SEA, must consult with private school representatives and representatives of parents of parentally-placed private school children with disabilities during the design and development of special education and related services for the children regarding the following:

(a) Child find. The child find process, including--

(1) How parentally-placed private school children suspected of having a disability can participate equitably; and

(2) How parents, teachers, and private school officials will be informed of the process.

(b) Proportionate share of funds. The determination of the proportionate share of Federal funds available to serve parentally-placed private school children with disabilities under §300.133(b), including the determination of how the proportionate share of those funds was calculated.

(c) Consultation process. The consultation process among the LEA, private school officials, and representatives of parents of parentally-placed private school children with disabilities, including how the process will operate throughout the school year to ensure that parentally-placed children with disabilities identified through the child find process can meaningfully participate in special education and related services.

(d) Provision of special education and related services. How, where, and by whom special education and related services will be provided for parentally-placed private school children with disabilities, including a discussion of--

(1) The types of services, including direct services and alternate service delivery mechanisms; and

(2) How special education and related services will be apportioned if funds are insufficient to serve all parentally-placed private school children; and

(3) How and when those decisions will be made;

(e) Written explanation by LEA regarding services. How, if the LEA disagrees with the views of the private school officials on the provision of services or the types of services (whether provided directly or through a contract), the LEA will provide to the private school officials a written explanation of the reasons why the LEA chose not to provide services directly or through a contract.

§300.135 written affirmation.

(a) When timely and meaningful consultation, as required by §300.134, has occurred, the LEA

must obtain a written affirmation signed by the representatives of participating private schools.

(b) If the representatives do not provide the affirmation within a reasonable period of time, the LEA must forward the documentation of the consultation process to the SEA.

§300.136 Compliance.

(a) General. A private school official has the right to submit a complaint to the SEA that the LEA-

(1) Did not engage in consultation that was meaningful and timely; or

(2) Did not give due consideration to the views of the private school official.

(b) Procedure. (1) If the private school official wishes to submit a complaint, the official must provide to the SEA the basis of the noncompliance by the LEA with the applicable private school provisions in this part; and

(2) The LEA must forward the appropriate documentation to the SEA.

(3)(i) If the private school official is dissatisfied with the decision of the SEA, the official may submit a complaint to the Secretary by providing the information on noncompliance described in paragraph (b)(1) of this section; and

(ii) The SEA must forward the appropriate documentation to the Secretary.

§300.137 equitable services determined.

(a) No individual right to special education and related services. No parentally-placed private school child with a disability has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.

(b) Decisions. (1) Decisions about the services that will be provided to parentally-placed private school children with disabilities under §§300.130 through 300.144 must be made in accordance with paragraph (c) of this section and §300.134(c).

(2) The LEA must make the final decisions with respect to the services to be provided to eligible parentally-placed private school children with disabilities.

(c) Services plan for each child served under §§300.130 through 300.144. If a child with a disability is enrolled in a religious or other private school by the child's parents and will receive special education or related services from an LEA, the LEA must--

(1) Initiate and conduct meetings to develop, review, and revise a services plan for the child, in accordance with §300.138(b); and

(2) Ensure that a representative of the religious or other private school attends each meeting. If the representative cannot attend, the LEA shall use other methods to ensure participation by the religious or other private school, including individual or conference telephone calls.

§300.138 equitable services provided.

(A) General. (1) The services provided to parentally-placed private school children with disabilities must be provided by personnel meeting the same standards as personnel providing services in the public schools, except that private elementary school and secondary school teachers who are providing equitable services to parentally-placed private school children with disabilities do not have to meet the special education teacher qualification requirements in § 300.156(c).

~ ~ *NOTE: §300.138(a) was revised by amendment on 6/30/2017 as shown above.*

(2) Parentally-placed private school children with disabilities may receive a different amount of services than children with disabilities in public schools.

(b) Services provided in accordance with a services plan. (1) Each parentally-placed private school child with a disability who has been designated to receive services under §300.132 must have a services plan that describes the specific special education and related services that the LEA will provide to the child in light of the services that the LEA has determined, through the process described in §§300.134 and 300.137, it will make available to parentally-placed private school children with disabilities.

(2) The services plan must, to the extent appropriate--

(i) Meet the requirements of §300.320, or for a child ages three through five, meet the requirements of §300.323(b) with respect to the services provided; and

(ii) Be developed, reviewed, and revised consistent with §§300.321 through 300.324.

Ed 1112.02 Children with Disabilities Enrolled by Their Parents in Private Schools When FAPE is at Issue. When a child with a disability is placed by his or her parents in a private school because the parents believe the LEA has not provided FAPE, the provision of and reimbursement for education, including special education and related services, for children with disabilities enrolled by their parents in a private school shall be governed by 34 CFR 300.148.

§300.148 Placement of children by parents when FAPE is at issue.

(a) General. This part does not require an LEA to pay for the cost of education, including special education and related services, of a child with a disability at a private school or facility if that agency made FAPE available to the child and the parents elected to place the child in a private school or facility. However, the public agency must include that child in the population whose needs are addressed consistent with §§300.131 through 300.144.

(b) Disagreements about FAPE. Disagreements between the parents and a public agency regarding the availability of a program appropriate for the child, and the question of financial reimbursement, are subject to the due process procedures in §§300.504 through 300.520.

(c) Reimbursement for private school placement. If the parents of a child with a disability, who previously received special education and related services under the authority of a public agency, enroll the child in a private preschool, elementary school, or secondary school without the consent of or referral by the public agency, a court or a hearing officer may require the agency to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the agency had not made FAPE available to the child in a timely manner prior to that enrollment and that the private placement is appropriate. A parental placement may be found to be appropriate by a hearing officer or a court even if it does not meet the State standards that apply to education provided by the SEA and LEAs.

(d) Limitation on reimbursement. The cost of reimbursement described in paragraph (c) of this section may be reduced or denied—

- (1) If--
 - (i) At the most recent IEP Team meeting that the parents attended prior to removal of the child from the public school, the parents did not inform the IEP Team that they were rejecting the placement proposed by the public agency to provide FAPE to their child, including stating their concerns and their intent to enroll their child in a private school at public expense; or
 - (ii) At least ten (10) business days (including any holidays that occur on a business day) prior to the removal of the child from the public school, the parents did not give written notice to the public agency of the information described in paragraph (d)(1)(i) of this section;
- (2) If, prior to the parents' removal of the child from the public school, the public agency informed the parents, through the notice requirements described in §300.503(a) (1), of its intent to evaluate the child (including a statement of the purpose of the evaluation that was appropriate and reasonable), but the parents did not make the child available for the evaluation; or
- (3) Upon a judicial finding of unreasonableness with respect to actions taken by the parents.
- (e) **Exception.** Notwithstanding the notice requirement in paragraph (d) (1) of this section, the cost of reimbursement--
 - (1) Must not be reduced or denied for failure to provide the notice if--
 - (i) The school prevented the parents from providing the notice;
 - (ii) The parents had not received notice, pursuant to §300.504, of the notice requirement in paragraph (d) (1) of this section; or
 - (iii) Compliance with paragraph (d) (1) of this section would likely result in physical harm to the child; and
 - (2) May, in the discretion of the court or a hearing officer, not be reduced or denied for failure to provide this notice if--
 - (i) The parents are not literate or cannot write in English; or
 - (ii) Compliance with paragraph (d) (1) of this section would likely result in serious emotional harm to the child.

I. (a) The employing school administrative unit, school district, or chartered public school shall complete a criminal history records check on every selected applicant for employment in any position in the school administrative unit, school district, or chartered public school prior to a final offer of employment. A public academy approved by the New Hampshire state board of education shall submit a criminal history records check on applicants for employment pursuant to this section. The superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy may extend a conditional offer of employment to a selected applicant, with a final offer of employment subject to a successfully completed criminal history records check. No selected applicant may be extended a final offer of employment unless the school administrative unit, school district, chartered public school, or public academy has completed a criminal history records check. The school administrative unit, school district, chartered public school, or public academy shall not be held liable in any lawsuit alleging that the extension of a conditional or final offer of employment to an applicant, or the acceptance of volunteer services from a designated volunteer, with a criminal history was in any way negligent or deficient, if the school administrative unit, school district, chartered public school, or public academy fulfilled the requirements of this section.

(b) A nonpublic school may elect to require a criminal history records check on selected applicants for employment or selected volunteers. A nonpublic school that elects to conduct a criminal history records check shall comply with the procedures and requirements set forth in this section.

II. The selected applicant for employment or designated volunteer with a school administrative unit, school district, chartered public school, or public academy shall submit to the employer a notarized criminal history records release form, as provided by the division of state police, which authorizes the release of information regarding the presence or absence of any record of convictions of the applicant of felonies or misdemeanors, or of charges pending disposition for or convictions of the applicant of the crimes listed in paragraph V. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the school administrative unit, school district, chartered public school, or public academy. In the event that the first set of fingerprints is invalid due to insufficient pattern and a second set of fingerprints is necessary in order to complete the criminal history records check, the conditional offer of employment shall remain in effect. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the school administrative unit, school district, chartered public school, or public academy may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where an applicant has lived during the past 5 years.

III. The school administrative unit, school district, chartered public school, or public academy shall submit the criminal history records release form to the New Hampshire state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. The state police shall examine the list of crimes constituting grounds for nonapproval of employment, or nonacceptance of volunteer services in that school administrative unit, school district, chartered public school, or public academy, and shall report the presence or absence of any such crime to the superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy. The superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy shall maintain the confidentiality of all criminal history records information received pursuant to this paragraph.

If the criminal history records information indicates that the applicant has been convicted of any crime or has been charged pending disposition for or convicted of a crime listed in paragraph V, the superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy shall review the information for a hiring decision, and the division of state police shall notify the department of education of any such charges pending disposition or convictions. The superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy shall destroy any criminal history record information that indicates a criminal record within 30 days of receiving such information.

IV. The school administrative unit, school district, chartered public school, or public academy may require the selected applicant for employment or designated volunteer to pay the actual costs of the criminal history records check.

Any person who has been charged pending disposition for or convicted of any violation or attempted violation of RSA 630:1; 630:1-a; 630:1-b; 630:2; 632-A:2; 632-A:3; 632-A:4; 633:1; 639:2; 639:3; 645:1, II or III; 645:2; 649-A:3; 649-A:3-a; 649-A:3-b; 649-B:3; or 649-B:4; or any violation or any attempted violation of RSA 650:2 where the act involves a child in material deemed obscene; in this state, or under any statute prohibiting the same conduct in another state, territory, or possession of the United States, shall not be hired by a school administrative unit, school district, chartered public school, or public academy. The superintendent of the school administrative unit or the chief executive officer of the chartered public school or public academy may deny a selected applicant a final offer of employment if such person has been convicted of any crime in addition to those listed above. The governing body of a school district, chartered public school, or public academy may adopt a policy stating that any person who has been convicted of any felony, or any of a list of felonies, shall not be hired.

VI. This section shall apply to any employee, selected applicant for employment, designated volunteer, or volunteer organization which contracts with a school administrative unit, school district, chartered public school, or public academy to provide services, including but not limited to cafeteria workers, school bus drivers, custodial personnel, or any other service where the contractor or employees of the contractor provide services directly to students of the district, chartered public school, or public academy. The cost for criminal history records checks for employees or selected applicants for employment with such contractors shall be borne by the contractor.

VII. The school administrative unit, school district, chartered public school, or public academy shall not be required to complete a criminal history records check on volunteers, provided that the governing body of a school administrative unit, school district, chartered public school, or public academy shall adopt a policy designating certain categories of volunteers as "designated volunteers" who may be required to undergo a criminal history records check.

VIII. A school administrative unit, school district, chartered public school, public academy, or school official acting pursuant to a policy establishing procedures for certain volunteers shall be immune from civil or criminal liability, provided the school administrative unit, school district, chartered public school, public academy, or school official has in good faith acted in accordance with said policy. Nothing in this paragraph shall be deemed to grant immunity to any person for that person's reckless or wanton conduct.

IX. (a) Substitute teachers, student teachers, student interns, and other educational staff shall apply for a criminal history records check at the employing school administrative unit, school district, chartered public school, or public academy. (a) Establishing responsibility for services. The Chief Executive Officer of a State or designee of that officer must ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each noneducational public agency described in paragraph (b) of this section and the SEA, in order to ensure that all services described in paragraph (b)(1) of this section that are needed to ensure FAPE are provided, including the provision of these services during the pendency of any dispute under paragraph (a)(3) of this section. The agreement or mechanism must include the following:

(1) An identification of, or a method for defining, the financial responsibility of each agency for providing services described in paragraph (b)(1) of this section to ensure FAPE to children with disabilities. The financial responsibility of each noneducational public agency described in paragraph (b) of this section, including the State Medicaid agency and other public insurers of children with disabilities, must precede the financial responsibility of the LEA (or the State agency responsible for developing the child’s IEP).

(2) The conditions, terms, and procedures under which an LEA must be reimbursed by other agencies.

(3) Procedures for resolving interagency disputes (including procedures under which LEAs may initiate proceedings) under the agreement or other mechanism to secure reimbursement from other agencies or otherwise implement the provisions of the agreement or mechanism.

(4) Policies and procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services described in paragraph (b)(1) of this section.

(b) Obligation of noneducational public agencies.

children with disabilities within the State, the public agency must fulfill that obligation or responsibility, either directly or through contract or other arrangement pursuant to paragraph (a) of this section or an agreement pursuant to paragraph (c) of this section.

(ii) A noneducational public agency described in paragraph (b)(1)(i) of this section may not disqualify an eligible service for Medicaid reimbursement because that service is provided in a school context.

(2) If a public agency other than an educational agency fails to provide or pay for the special education and related services described in paragraph (b)(1) of this section, the LEA (or State agency responsible for developing the child’s IEP) must provide or pay for these services to the child in a timely manner. The LEA or State agency is authorized to claim reimbursement for the services from the noneducational public agency that failed to provide or pay for these services and that agency must reimburse the LEA or State agency in accordance with the terms of the interagency agreement or other mechanism described in paragraph (a) of this section.

(c) Special rule. The requirements of paragraph (a) of this section may be met through–

(1) State statute or regulation;

(iii) May not use a child’s benefits under a public benefits or insurance program if that use would–

(A) Decrease available lifetime coverage or any other insured benefit;

(B) Result in the family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the child outside of the time the child is in school;

(C) Increase premiums or lead to the discontinuation of benefits or insurance; or

(D) Risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures; and

(iv)(A) Must obtain parental consent, consistent with §300.9, each time that access to public benefits or insurance is sought; and

(B) Notify parents that the parents’ refusal to allow access to their public benefits or insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

(e) Children with disabilities who are covered by private insurance. (1) With regard to services

required to provide FAPE to an eligible child under this part, a public agency may access the parents' private insurance proceeds only if the parents provide consent consistent with §300.9.

(2) Each time the public agency proposes to access the parents' private insurance proceeds, the agency must—

(i) Obtain parental consent in accordance with paragraph I(1) of this section; and

(ii) Inform the parents that their refusal to permit the public agency to access their private insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

(f) Use of Part B funds. (1) If a public agency is unable to obtain parental consent to use the parents' private insurance, or public benefits or insurance when the parents would incur a cost for a specified service required under this part, to ensure FAPE the public agency may use its Part B funds to pay for the service.

(2) To avoid financial cost to parents who otherwise would consent to use private insurance, or public benefits or insurance if the parents would incur a cost, the public agency may use its Part B funds to pay the cost that the parents otherwise would have to pay to use the parents' benefits or insurance (e.g., the deductible or co-pay amounts).

(g) Proceeds from public benefits or insurance or private insurance. (1) Proceeds from public benefits or insurance or private insurance will not be treated as program income for purposes of 34 CFR 80.25.

(2) If a public agency spends reimbursements from Federal funds (e.g., Medicaid) for services under this part, those funds will not be considered "State or local" funds for purposes of the maintenance of effort provisions in §§300.163 and 300.203.

(h) Construction. Nothing in this part should be construed to alter the requirements imposed on a State Medicaid agency, or any other agency administering a public benefits or insurance program by Federal statute, regulations or policy under title XIX, or title XXI of the Social Security Act, 42 U.S.C. 1396 through 1396v and 42 U.S.C. 1397aa through 1397jj, or any other public benefits or insurance program.

(8) Each time the public agency proposes to access private insurance.

(c) Parents of children with disabilities shall have 14 days after the sending of written prior notice under Ed 1120.03 to sign documents included with the notice to indicate consent, or refusal of consent or partial consent as set forth below:

(d) A public agency shall not use a parent's refusal to consent to one service or activity or request of additional services, or activities to deny the child any other services or activities to which the parent has consented.

(e) When the parent refuses consent to one or more of the proposed services or activities, and/or requests changes to services or activities in the initial proposal, the parent shall specify, in writing, the items that they are refusing or requesting.

(f) Upon receipt of a parent's partial consent, the LEA:

(1) May schedule a mutually agreeable time and date for an IEP team meeting;

(2) Shall, if requested by the parent, pursuant to Ed 1109.06(b) convene the IEP team to discuss the requested changes and/or additions to the IEP, except as set forth in (3) below.

(3) May refuse to convene the IEP team meeting if it determines that the requested changes and/or additions to the IEP have been addressed at a prior IEP team meeting. In such event, the LEA shall issue a Written Prior Notice pursuant to Ed 1109.06(b)(3), explaining why the LEA refuses to convene the meeting.

(g) If a parent refuses consent for a proposed IEP or placement, the child’s most recent agreed upon IEP placement, or both shall remain in effect unless the LEA and parent agree otherwise, until the matters are resolved unless and until a party files for due process, in which case the IEP and placement shall be governed by 34 CFR 300.518.

(2) The parent’s right to access all of the rights and procedures outlined in this section if the parent disagrees; and

(3) The parent’s right to an extension of the 14-day time limit, provided the parent and the LEA mutually agree to such extension.

(k) A copy of any document signed by a parent in which the parent gives consent in writing shall be provided to the parent, and a copy of such document shall also be placed in the child’s education records.

Ed 1120.05 Parental Refusal of Consent; Initiation of Due Process Hearing by LEA.

(b) Alternative dispute resolution as provided in Ed 1122 may be requested by either party at any time.

(c) If a parent refuses consent to a proposal included in Ed 1120.04(a)(1) or (a)(6), the LEA shall have the authority to pursue the initial evaluation or re-evaluation by the initiation of a due process hearing under Ed 1123.

(d) If a parent refuses consent or fails to respond for the initial provision of special education services, the LEA shall not pursue the initial provision of special education services by initiating a due process hearing under Ed 1123.

(e) If at any time subsequent to the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, pursuant to 34 C.F.R §300.300(b)(4) the LEA:

§300.300(b)(4) If the parent of the child refuses to consent to the initial provision of special education and related services, or the parent fails to respond to a request to provide consent for the initial provision of special education and related services, the public agency—

(i) Will not be considered to be in violation of the requirement to make available FAPE to the child for the failure to provide the child with the special education and related services for which the public agency requests consent; and

(ii) Is not required to convene an IEP Team meeting or develop an IEP under §§300.320 and 300.324 for the child for the special education and related services for which the public agency requests such consent.

(1) Shall not continue to provide special education and related services to the child;

(2) Shall provide a prior written notice in accordance with 34 C.F.R §300.503 before ceasing the provision of special education and related service;

§§300.503 – 300.504 – See Ed 1120.03(b)

(3) Shall not use the mediation or due process procedures to obtain an agreement or ruling that the services may be provided to the child;

(4) Shall not be considered in violation of the requirement to make FAPE available to the child; and

(5) Shall not be required to convene the IEP Team meeting or develop an IEP for the child.

(f) A public agency shall not use a parent’s refusal to consent to one service or activity to deny the child services, benefits, or activities that the parent has agreed to.

Ed 1120.06 Parental Failure to Respond; Implementation of Changes by LEA.

(a) If a parent fails to respond within 14 days after the sending of written prior notice pursuant to Ed 1120.04(b), the LEA shall implement its proposed changes if the LEA has taken reasonable measures to obtain informed written consent.

(b) Reasonable measures shall include:

(1) Documentation of telephone calls to the parent made or attempted and the results of those calls; and

(2) Copies of correspondence sent to the parent and any responses received. Correspondence shall be sent certified mail, return receipt requested.

(c) The processes provided for in Ed 1123 can be requested by either party at any time subject to the exceptions of Ed 1120.05(d) and (e).

Ed 1120.07 Independent Educational Evaluations. An LEA shall comply with 34 CFR 300.502 and Ed 1107.03, relating to independent educational evaluation.

§300.502 Independent educational evaluation.

(a) General. (1) The parents of a child with a disability have the right under this part to obtain an independent educational evaluation of the child, subject to paragraphs (b) through (c) of this section.

(2) Each public agency must provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the agency criteria applicable for independent educational evaluations as set forth in paragraph (c) of this section.

(3) For the purposes of this subpart–

(i) Independent educational evaluation means an evaluation conducted by a qualified examiner who is not employed by the public agency responsible for the education of the child in question; and

(ii) Public expense means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with §300.103.

(b) Parent right to evaluation at public expense.

(1) A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in paragraphs (b)(2) through (4) of this section.

(2) If a parent requests an independent educational evaluation at public expense, the public agency must, without unnecessary delay, either–

(i) File a due process complaint to request a hearing to show that its evaluation is appropriate; or

(ii) Ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§300.507 through 300.513 that the evaluation obtained by the parent did not meet agency criteria.

(3) If the public agency files a due process complaint notice to request a hearing and the final decision is that the agency’s evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

(4) If a parent requests an independent educational evaluation, the public agency may ask for the parent’s reason why he or she objects to the public evaluation. However, the public agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation.

(5) A parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

(c) Parent-initiated evaluations. If the parent obtains an independent educational evaluation at public expense or shares with the public agency an evaluation obtained at private expense, the results of the evaluation–

(1) Must be considered by the public agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the child; and

(2) May be presented by any party as evidence at a hearing on a due process complaint under subpart E of this part regarding that child.

(d) Requests for evaluations by hearing officers. If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

(e) Agency criteria.

(1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent’s right to an independent educational evaluation.

(2) Except for the criteria described in paragraph I(1) of this section, a public agency may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

Ed 1120.08 Public and Private Insurance.

(a) An LEA shall comply with the requirements detailed in 34 CFR 300.154 and He-M 1301 when proposing accessing public and private insurance. The LEA:

§300.154 – See Ed 1120.04(a)(7)

PART He-M 1301 Medical Assistance Services Provided by Education Agencies

(1) Shall obtain informed parental consent once, pursuant to 34 CFR 300.154(d), the first time the public agency seeks to access the child’s public insurance;

§300.154 – See Ed 1120.04(a)(7)

(2) Shall provide annual notification pursuant to 34 CFR 300.154(d)(2)(v). The annual notification shall include a withdrawal of consent provision. The withdrawal of consent provision shall terminate the LEA’s authority to access the child’s state public benefits or insurance program. This withdrawal of consent provision shall be effective upon the LEA’s receipt of the parent’s signed withdrawal;

§300.154 – See Ed 1120.04(a)(7)

(3) Shall notify the parents that the parents’ refusal to allow access to their public insurance does not relieve the public agency of its responsibility to ensure that all services detailed in the IEP are provided to the child at no cost to the parents;

(4) Shall not require parents to sign up for or enroll in public benefits or insurance programs;

(5) Shall not require parents to incur out of pocket expenses, deductibles, or co-pays;

(6) Shall not use the child’s benefit if it would reduce the available lifetime coverage or other benefit;

(7) Shall not require the family to pay for services that otherwise would be covered by public benefits or insurance programs and are required for the child outside the time the child is in school;

(8) Shall not result in an increase of the parents' premiums or result in the discontinuation of benefits or insurance; or

(9) Shall not risk the loss of eligibility for home or community waivers based on aggregate health-related expenditures.

(b) When accessing private insurance the LEA shall:

(1) Obtain informed parental consent each time it proposes accessing private insurance; and

(2) Notify the parents that the parents' refusal to allow access to their private insurance does not relieve the public agency of its responsibility to ensure that all services detailed in the IEP are provided to the child at no cost to the parents.

(c) Part B Funds shall be available to be used if an LEA is unable to obtain parental consent to use a parents' private insurance to pay for specific services including deductibles or co-pay.

(d) Proceeds of public benefits or insurance or private insurance shall not be treated as program income for purposes of 34 CFR 80.25.

§80.25 Program Income. (a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See §80.34.)

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§80.31 and 80.32.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) Deduction. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) Addition. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) Cost sharing or matching. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

(e) Reimbursements from federal funds such as Medicaid shall not be considered “State or local funds” for purposes of maintenance of effort provisions of 34 CFR 300.163 and 34 CFR 300.203.

§300.163 Maintenance of State financial support.

(a) General. A State must not reduce the amount of State financial support for special education and related services for children with disabilities, or otherwise made available because of the excess costs of educating those children, below the amount of that support for the preceding fiscal year.

(b) Reduction of funds for failure to maintain support. The Secretary reduces the allocation of funds under section 611 of the Act for any fiscal year following the fiscal year in which the State fails to comply with the requirement of paragraph (a) of this section by the same amount by which the State fails to meet the requirement.

(c) Waivers for exceptional or uncontrollable circumstances. The Secretary may waive the requirement of paragraph (a) of this section for a State, for one fiscal year at a time, if the Secretary determines that—

(1) Granting a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the State; or

(2) The State meets the standard in §300.164 for a waiver of the requirement to supplement, and not to supplant, funds received under Part B of the Act.

(d) Subsequent years. If, for any fiscal year, a State fails to meet the requirement of paragraph (a) of this section, including any year for which the State is granted a waiver under paragraph (c) of this section, the financial support required of the State in future years under paragraph (a) of this section shall be the amount that would have been required in the absence of that failure and not the reduced level of the State's support.

§300.203 Maintenance of effort.

(a) General. Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(b) Standard.

(1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

(i) Local funds only.

(ii) The combination of State and local funds.

(2) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in paragraph (b)(1)(i) of this section was used to establish its compliance with this section.

(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA's compliance with the requirement in paragraph (a) of this section.

PART Ed 1122 ALTERNATIVE DISPUTE RESOLUTION

Ed 1122.01 Availability of Alternative Dispute Resolution. Alternative dispute resolution shall be voluntary and available to parents and LEAs in accordance with RSA 186-C:23 and 34 CFR 300.506.

186-C:23 Alternative Dispute Resolution. –

I. In order to encourage informal resolution of differences of opinion regarding the provision of special education, the following methods of alternative dispute resolution shall be available to parents and school districts:

- (a) Neutral conference.
- (b) Mediation.

II. To assist parents and schools, this subdivision requires the local education agency to notify the department of education in writing that an individualized education program, educational placement, identification, or evaluation of a child has been rejected by the parent, and establishes a 30-day period for discussion beginning on the date such notice is received by the department of education. Immediately following notification, the department shall communicate to the parent a description of the alternative dispute resolution process. While the use of these informal resolution procedures is strongly encouraged, it is not mandatory for either party. If this option is chosen by both parties, the department shall, during the 30-day period, schedule and conduct an alternative dispute resolution conference. The conference shall not be used to delay a due process hearing; however, both parties may agree to postpone the hearing pending a resolution.

III. Alternative dispute resolution proceedings shall be confidential and shall not impair the right of the participants to demand a due process hearing. Information, evidence, or the admission of any party shall not be disclosed or used in any subsequent proceeding. Statements made and documents prepared by a party, attorney, or other participant in aid of such proceeding shall be privileged and shall not be disclosed. In addition, the parties shall not introduce into evidence in any subsequent proceeding the fact that there was an alternative dispute resolution proceeding or any other matter concerning the conduct of such proceedings. The authority of the department of education in alternative dispute resolution proceedings initiated under this section shall be limited to the provisions of paragraphs I and II.

IV. There shall be no record made of any alternative dispute resolution proceedings.

V. Evidence that would otherwise be admissible in a due process hearing or in a subsequent court hearing shall not be rendered inadmissible as a result of its use in an alternative dispute resolution proceeding.

§300.506 Mediation.

(a) General. Each public agency must ensure that procedures are established and implemented to allow parties to disputes involving any matter under this part, including matters arising prior to the filing of a due process complaint, to resolve disputes through a mediation process.

(b) Requirements. The procedures must meet the following requirements:

- (1) The procedures must ensure that the mediation process–
 - (i) Is voluntary on the part of the parties;

PART Ed 1123 ADMINISTRATIVE DUE PROCESS HEARING PROCEDURE

Ed 1123.01 Conducting Administrative Due Process Hearings. Administrative due process hearings shall be conducted in compliance with applicable state and federal laws and regulations, including 34 CFR 300.507-.518.

§300.507 Filing a due process complaint.

(a) General. (1) A parent or a public agency may file a due process complaint on any of the matters described in §300.503(a)(1) and (2) (relating to the identification, evaluation or educational placement of a child with a disability, or the provision of FAPE to the child).

(2) The due process complaint must allege a violation that occurred not more than two years before the date the parent or public agency knew or should have known about the alleged action that forms the basis of the due process complaint, or, if the State has an explicit time limitation for filing a due process complaint under this part, in the time allowed by that State law, except that the exceptions to the timeline described in §300.511(f) apply to the timeline in this section.

(b) Information for parents. The public agency must inform the parent of any free or low-cost legal and other relevant services available in the area if—

- (1) The parent requests the information; or
- (2) The parent or the agency files a due process complaint under this section.

§300.508 Due process complaint.

(a) General. (1) The public agency must have procedures that require either party, or the attorney representing a party, to provide to the other party a due process complaint (which must remain confidential).

(2) The party filing a due process complaint must forward a copy of the due process complaint to the SEA.

(b) Content of complaint. The due process complaint required in paragraph (a)(1) of this section must include—

- (1) The name of the child;
- (2) The address of the residence of the child;
- (3) The name of the school the child is attending;
- (4) In the case of a homeless child or youth (within the meaning of section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), available contact information for the child, and the name of the school the child is attending;
- (5) A description of the nature of the problem of the child relating to the proposed or refused initiation or change, including facts relating to the problem; and
- (6) A proposed resolution of the problem to the extent known and available to the party at the time.

(c) Notice required before a hearing on a due process complaint. A party may not have a hearing on a due process complaint until the party, or the attorney representing the party, files a due process complaint that meets the requirements of paragraph (b) of this section.

(d) Sufficiency of complaint. (1) The due process complaint required by this section must be deemed sufficient unless the party receiving the due process complaint notifies the hearing officer and the other party in writing, within 15 days of receipt of the due process complaint, that the receiving party believes the due process complaint does not meet the requirements in paragraph (b) of this section.

(2) Within five days of receipt of notification under paragraph (d)(1) of this section, the hearing officer must make a determination on the face of the due process complaint of whether the due process complaint meets the requirements of paragraph (b) of this section, and must immediately notify the parties in writing of that determination.

(3) A party may amend its due process complaint only if–

(i) The other party consents in writing to the amendment and is given the opportunity to resolve the due process complaint through a meeting held pursuant to §300.510; or

(ii) The hearing officer grants permission, except that the hearing officer may only grant permission to amend at any time not later than five days before the due process hearing begins.

(4) If a party files an amended due process complaint, the timelines for the resolution meeting in §300.510(a) and the time period to resolve in §300.510(b) begin again with the filing of the amended due process complaint.

(e) LEA response to a due process complaint. (1) If the LEA has not sent a prior written notice under §300.503 to the parent regarding the subject matter contained in the parent’s due process complaint, the LEA must, within 10 days of receiving the due process complaint, send to the parent a response that includes–

(i) An explanation of why the agency proposed or refused to take the action raised in the due process complaint;

(ii) A description of other options that the IEP Team considered and the reasons why those options were rejected;

(iii) A description of each evaluation procedure, assessment, record, or report the agency used as the basis for the proposed or refused action; and

(iv) A description of the other factors that are relevant to the agency’s proposed or refused action.

(2) A response by an LEA under paragraph I(1) of this section shall not be construed to preclude the LEA from asserting that the parent’s due process complaint was insufficient, where appropriate.

(f) Other party response to a due process complaint. Except as provided in paragraph (e) of this section, the party receiving a due process complaint must, within 10 days of receiving the due process complaint, send to the other party a response that specifically addresses the issues raised in the due process complaint.

§300.509 Model forms.

(a) Each SEA must develop model forms to assist parents and public agencies in filing a due process complaint in accordance with §§300.507(a) and 300.508(a) through (c) and to assist parents and other parties in filing a State complaint under §§300.151 through 300.153. However, the SEA or LEA may not require the use of the model forms.

(b) Parents, public agencies, and other parties may use the appropriate model form described in paragraph (a) of this section, or another form or other document, so long as the form or document that is used meets, as appropriate, the content requirements in §300.508(b) for filing a due process complaint, or the requirements in §300.153(b) for filing a State complaint.

§300.510 Resolution process.

(a) Resolution meeting. (1) Within 15 days of receiving notice of the parent’s due process complaint, and prior to the initiation of a due process hearing under §300.511, the LEA must convene a meeting with the parent and the relevant member or members of the IEP Team who have specific knowledge of the facts identified in the due process complaint that—

(i) Includes a representative of the public agency who has decision-making authority on behalf of that agency; and

(ii) May not include an attorney of the LEA unless the parent is accompanied by an attorney.

(2) The purpose of the meeting is for the parent of the child to discuss the due process complaint, and the facts that form the basis of the due process complaint, so that the LEA has the opportunity to resolve the dispute that is the basis for the due process complaint.

(3) The meeting described in paragraph (a)(1) and (2) of this section need not be held if—

(i) The parent and the LEA agree in writing to waive the meeting; or

(ii) The parent and the LEA agree to use the mediation process described in §300.506.

(4) The parent and the LEA determine the relevant members of the IEP Team to attend the meeting.

(b) Resolution period. (1) If the LEA has not resolved the due process complaint to the satisfaction of the parent within 30 days of the receipt of the due process complaint, the due process hearing may occur.

(2) Except as provided in paragraph (c) of this section, the timeline for issuing a final decision under §300.515 begins at the expiration of this 30-day period.

(3) Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwithstanding paragraphs (b)(1) and (2) of this section, the failure of the parent filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.

(4) If the LEA is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and documented using the procedures in §300.322(d)), the LEA may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent’s due process complaint.

(5) If the LEA fails to hold the resolution meeting specified in paragraph (a) of this section within 15 days of receiving notice of a parent’s due process complaint or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

(c) Adjustments to 30-day resolution period. The 45-day timeline for the due process hearing in §300.515(a) starts the day after one of the following events:

(1) Both parties agree in writing to waive the resolution meeting;

(2) After either the mediation or resolution meeting starts but before the end of the 30-day period, the parties agree in writing that no agreement is possible;

(3) If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, the parent or public agency withdraws from the mediation process.

(d) Written settlement agreement. If a resolution to the dispute is reached at the meeting described in paragraphs (a)(1) and (2) of this section, the parties must execute a legally binding agreement that is—

(1) Signed by both the parent and a representative of the agency who has the authority to bind the agency; and

(2) Enforceable in any State court of competent jurisdiction or in a district court of the United States, or, by the SEA, if the State has other mechanisms or procedures that permit parties to seek enforcement of resolution agreements, pursuant to §300.537.

(e) Agreement review period. If the parties execute an agreement pursuant to paragraph (d) of this section, a party may void the agreement within 3 business days of the agreement’s execution.

§300.511 Impartial due process hearing.

(a) General. Whenever a due process complaint is received under §300.507 or §300.532, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing, consistent with the procedures in §§300.507, 300.508, and 300.510.

(b) Agency responsible for conducting the due process hearing. The hearing described in paragraph (a) of this section must be conducted by the SEA or the public agency directly responsible for the education of the child, as determined under State statute, State regulation, or a written policy of the SEA.

(c) Impartial hearing officer. (1) At a minimum, a hearing officer–

(i) Must not be–

(B) A person having a personal or professional interest that conflicts with the person’s objectivity in the hearing;

(ii) Must possess knowledge of, and the ability to understand, the provisions of the Act, Federal and State regulations pertaining to the Act, and legal interpretations of the Act by Federal and State courts;

(iii) Must possess the knowledge and ability to conduct hearings in accordance with appropriate, standard legal practice; and

(iv) Must possess the knowledge and ability to render and write decisions in accordance with appropriate, standard legal practice.

(2) A person who otherwise qualifies to conduct a hearing under paragraph I(1) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer.

(3) Each public agency must keep a list of the persons who serve as hearing officers. The list must include a statement of the qualifications of each of those persons.

(d) Subject matter of due process hearings. The party requesting the due process hearing may not raise issues at the due process hearing that were not raised in the due process complaint filed under §300.508(b), unless the other party agrees otherwise.

(e) Timeline for requesting a hearing. A parent or agency must request an impartial hearing on their due process complaint within two years of the date the parent or agency knew or should have known about the alleged action that forms the basis of the due process complaint, or if the State has an explicit time limitation for requesting such a due process hearing under this part, in the time allowed by that State law.

(f) Exceptions to the timeline. The timeline described in paragraph (e) of this section does not apply to a parent if the parent was prevented from filing a due process complaint due to–

(1) Specific misrepresentations by the LEA that it had resolved the problem forming the basis of the due process complaint; or

(2) The LEA’s withholding of information from the parent that was required under this part to be provided to the parent.

§300.512 Hearing rights.

(a) General. Any party to a hearing conducted pursuant to §§300.507 through 300.513 or §§300.530 through 300.534, or an appeal conducted pursuant to §300.514, has the right to—

(2) A hearing officer may bar any party that fails to comply with paragraph (b)(1) of this section from introducing the relevant evaluation or recommendation at the hearing without the consent of the other party.

(c) Parental rights at hearings. Parents involved in hearings must be given the right to—

(2) In matters alleging a procedural violation, a hearing officer may find that a child did not receive a FAPE only if the procedural inadequacies—

- (i) Impeded the child’s right to a FAPE;
- (ii) Significantly impeded the parent’s opportunity to participate in the decision-making process regarding the provision of a FAPE to the parent’s child; or

(3) Nothing in paragraph (a) of this section shall be construed to preclude a hearing officer from ordering an LEA to comply with procedural requirements under §§300.500 through 300.536.

(b) Construction clause. Nothing in §§300.507 through 300.513 shall be construed to affect the right of a parent to file an appeal of the due process hearing decision with the SEA under §300.514(b), if a State level appeal is available.

(c) Separate request for a due process hearing. Nothing in §§300.500 through 300.536 shall be construed to preclude a parent from filing a separate due process complaint on an issue separate from a due process complaint already filed.

(d) Findings and decision to advisory panel and general public. The public agency, after deleting any personally identifiable information, must—

(1) Transmit the findings and decisions referred to in §300.512(a)(5) to the State advisory panel established under §300.167; and

(2) Make those findings and decisions available to the public.

§300.514 Finality of decision; appeal; impartial review.

(a) Finality of hearing decision. A decision made in a hearing conducted pursuant to §§300.507 through 300.513 or §§300.530 through 300.534 is final, except that any party involved in the hearing may appeal the decision under the provisions of paragraph (b) of this section and §300.516.

(b) Appeal of decisions; impartial review.

(1) If the hearing required by §300.511 is conducted by a public agency other than the SEA, any party aggrieved by the findings and decision in the hearing may appeal to the SEA.

(2) If there is an appeal, the SEA must conduct an impartial review of the findings and decision appealed. The official conducting the review must—

(i) Examine the entire hearing record;

(ii) Ensure that the procedures at the hearing were consistent with the requirements of due process;

(iii) Seek additional evidence if necessary. If a hearing is held to receive additional evidence, the rights in §300.512 apply;

§300.515 Timelines and convenience of hearings and reviews.

(a) The public agency must ensure that not later than 45 days after the expiration of the 30 day period under §300.510(b), or the adjusted time periods described in §300.510(c)—

(1) A final decision is reached in the hearing; and

(2) A copy of the decision is mailed to each of the parties.

(b) The SEA must ensure that not later than 30 days after the receipt of a request for a review—

(a) General. Any party aggrieved by the findings and decision made under §§300.507 through 300.513 or §§300.530 through 300.534 who does not have the right to an appeal under §300.514(b), and any party aggrieved by the findings and decision under §300.514(b), has the right to bring a civil action with respect to the due process complaint notice requesting a due process hearing under §300.507 or §§300.530 through 300.532. The action may be brought in any State court of competent jurisdiction or in a district court of the United States without regard to the amount in controversy.

(b) Time limitation. The party bringing the action shall have 90 days from the date of the decision of the hearing officer or, if applicable, the decision of the State review official, to file a civil action, or, if the State has an explicit time limitation for bringing civil actions under Part B of the Act, in the time allowed by that State law.

- (3) Basing its decision on the preponderance of the evidence, grants the relief that the court determines to be appropriate.

(d) Jurisdiction of district courts. The district courts of the United States have jurisdiction of actions brought under section 615 of the Act without regard to the amount in controversy.

(e) Rule of construction. Nothing in this part restricts or limits the rights, procedures, and remedies available under the Constitution, the Americans with Disabilities Act of 1990, title V of the Rehabilitation Act of 1973, or other Federal laws protecting the rights of children with disabilities, except that before the filing of a civil action under these laws seeking relief that is also available under section 615 of the Act, the procedures under §§300.507 and 300.514 must be exhausted to the same extent as would be required had the action been brought under section 615 of the Act.

§300.517 Attorneys' fees.

(a) In general. (1) In any action or proceeding brought under section 615 of the Act, the court, in its discretion, may award reasonable attorneys' fees as part of the costs to—

- (i) The prevailing party who is the parent of a child with a disability;
- (ii) To a prevailing party who is an SEA or LEA against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or
- (iii) To a prevailing SEA or LEA against the attorney of a parent, or against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

(2) Nothing in this subsection shall be construed to affect section 327 of the District of Columbia Appropriations Act, 2005.

(b) Prohibition on use of funds. (1) Funds under Part B of the Act may not be used to pay attorneys' fees or costs of a party related to any action or proceeding under section 615 of the Act and subpart E of this part.

(2) Paragraph (b)(1) of this section does not preclude a public agency from using funds under Part B of the Act for conducting an action or proceeding under section 615 of the Act.

(c) Award of fees. A court awards reasonable attorneys' fees under section 615(i)(3) of the Act consistent with the following:

(1) Fees awarded under section 615(i)(3) of the Act must be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this paragraph.

(2)(i) Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under section 615 of the Act for services performed subsequent to the time of a written offer of settlement to a parent if—

(A) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than 10 days before the proceeding begins;

(B) The offer is not accepted within 10 days; and

(C) The court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(ii) Attorneys' fees may not be awarded relating to any meeting of the IEP Team unless the meeting is convened as a result of an administrative proceeding or judicial action, or at the discretion of the State, for a mediation described in §300.506.

(iii) A meeting conducted pursuant to §300.510 shall not be considered--

(A) A meeting convened as a result of an administrative hearing or judicial action; or

(B) An administrative hearing or judicial action for purposes of this section.

(3) Notwithstanding paragraph (c)(2) of this section, an award of attorneys' fees and related costs may be made to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

(4) Except as provided in paragraph (c)(5) of this section, the court reduces, accordingly, the amount of the attorneys' fees awarded under section 615 of the Act, if the court finds that--

(i) The parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;

(ii) The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

(iii) The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

(iv) The attorney representing the parent did not provide to the LEA the appropriate information in the due process request notice in accordance with §300.508.

(5) The provisions of paragraph (c)(4) of this section do not apply in any action or proceeding if the court finds that the State or local agency unreasonably protracted the final resolution of the action or proceeding or there was a violation of section 615 of the Act.

§300.518 Child’s status during proceedings.

(a) Except as provided in §300.533, during the pendency of any administrative or judicial proceeding regarding a due process complaint notice requesting a due process hearing under §300.507, unless the State or local agency and the parents of the child agree otherwise, the child involved in the complaint must remain in his or her current educational placement.

(b) If the complaint involves an application for initial admission to public school, the child, with the consent of the parents, must be placed in the public school until the completion of all the proceedings.

(ii) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint.

(4) A State may establish different State-imposed procedural rules for expedited due process hearings conducted under this section than it has established for other due process hearings, but, except for the timelines as modified in paragraph (c)(3) of this section, the State must ensure that the requirements in §§300.510 through 300.514 are met.

(5) The decisions on expedited due process hearings are appealable consistent with §300.514.

§300.533 Placement during appeals.

When an appeal under §300.532 has been made by either the parent or the LEA, the child must remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period specified in §300.530(c) or (g), whichever occurs first, unless the parent and the SEA or LEA agree otherwise.

(b) The expedited procedure shall provide a full due process hearing, but under a restricted time schedule as set out in (c) – (e) below.

(c) Expedited hearings shall:

(1) Not exceed 2 days;

(2) Be held within 20 school days after the request for hearing is filed; and

(d) A decision shall be mailed to the parties within 10 days of the conclusion of the hearing.

(e) The parties shall provide the hearing officer with mutually agreeable dates for the hearing, allowing for 2 days for the hearing, within 5 business days after a party has requested an expedited hearing.

(f) A prehearing conference shall occur at least 2 business days before the hearing at which time the parties shall exchange witness and exhibit lists.

(g) The expedited due process hearing shall meet the requirements of 34 CFR 300.512.

§§300.507 – 300.518 – See Ed 1123.01

(h) At least 2 business days prior to the hearing, each party shall disclose to all other parties all evaluations completed by that date and evidence to be offered at the hearing, and recommendations based on the offering party's evaluations that the party intends to use at the hearing. Any party to the hearing has the right to request that the hearing officer prohibit the introduction of evidence at the hearing that has not been disclosed to that party at least 2 business days before the hearing.

(i) Hearings shall be held from 9:00 a.m. to 4:00 p.m.

(j) The following procedures shall apply to hearings:

(1) At the completion of any witness's testimony or within 2 business days of the conclusion of the hearing, any party may request an extension if the party demonstrates that additional time is necessary for a full and fair disclosure of the facts upon which the decision will be rendered;

(2) The hearing officer shall respond to a request for extension within 2 business days;

(3) If the hearing officer grants the request for additional time, the other party shall have 2 business days to respond;

(4) The hearing officer shall have 2 business days to make a final ruling on any objection or request made in the other party's response;

(5) Requests for findings of facts shall be limited to those facts necessary to support the decision;

(6) Requests for rulings of law shall be limited to those central issues of law, if any, which are contested;

(7) No additional written memoranda shall be filed unless requested by the hearing officer on a particular issue;

(8) The hearing officer shall waive any of the procedures in this paragraph in a case, but only to the extent necessary to preserve the full and fair nature of the due process hearing;

(9) The hearing officer shall render a decision, including findings of facts and rulings of law;

(10) The hearing officer shall mail a written decision to the parties by certified mail within 10 days of the conclusion of the hearing;

(11) There shall be no exceptions or extensions of the 45-day period; and

(12) Any party aggrieved by the decision of the hearing officer may appeal the decision as provided in Ed 1123.20.

PART Ed 1124 DISCIPLINARY PROCEDURES FOR CHILDREN WITH DISABILITIES

Ed 1124.01 Disciplinary Procedures. Each LEA shall develop disciplinary procedures, including, but not limited to, suspension, expulsion, manifestation determination, appeals, placement, protection, and referral for children with disabilities, consistent with the provisions of 34 CFR 300.530 - 300.536.

§300.530 Authority of school personnel.

(a) Case-by-case determination. School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a child with a disability who violates a code of student conduct.

(b) General. (1) School personnel under this section may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under §300.536).

(2) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal the public agency must provide services to the extent required under paragraph (d) of this section.

(c) Additional authority. For disciplinary changes in placement that would exceed 10 consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child's disability pursuant to paragraph (e) of this section, school personnel may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to children without disabilities, except as provided in paragraph (d) of this section.

(d) Services. (1) A child with a disability who is removed from the child's current placement pursuant to paragraphs (c), or (g) of this section must--

(i) Continue to receive educational services, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and

(ii) Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

(2) The services required by paragraph (d)(1), (d)(3), (d)(4), and (d)(5) of this section may be provided in an interim alternative educational setting.

(3) A public agency is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 school days or less in that school year, if it provides services to a child without disabilities who is similarly removed.

(4) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, if the current removal is for not more than 10 consecutive school days and is not a change of placement under §300.536, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP.

(5) If the removal is a change of placement under §300.536, the child's IEP Team determines appropriate services under paragraph (d)(1) of this section.

(e) Manifestation determination. (1) Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child's IEP Team (as determined by the parent and the LEA) must review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine--

(i) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or

(ii) If the conduct in question was the direct result of the LEA's failure to implement the IEP.

(2) The conduct must be determined to be a manifestation of the child's disability if the LEA, the parent, and relevant members of the child's IEP Team determine that a condition in either paragraph (e)(1)(i) or (1)(ii) of this section was met.

(3) If the LEA, the parent, and relevant members of the child's IEP Team determine the condition described in paragraph (e)(1)(ii) of this section was met, the LEA must take immediate steps to remedy those deficiencies.

(f) Determination that behavior was a manifestation. If the LEA, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team must--

(1) Either--

(i) Conduct a functional behavioral assessment, unless the LEA had conducted a functional behavioral assessment before the behavior that resulted in the change of placement occurred, and implement a behavioral intervention plan for the child; or

(ii) If a behavioral intervention plan already has been developed, review the behavioral intervention plan, and modify it, as necessary, to address the behavior; and

(2) Except as provided in paragraph (g) of this section, return the child to the placement from which the child was removed, unless the parent and the LEA agree to a change of placement as part of the modification of the behavioral intervention plan.

(g) Special circumstances. School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability, if the child--

(1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of an SEA or an LEA;

(2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA; or

(3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA.

(h) Notification. On the date on which the decision is made to make a removal that constitutes a change of placement of a child with a disability because of a violation of a code of student conduct, the LEA must notify the parents of that decision, and provide the parents the procedural safeguards notice described in §300.504.

(i) Definitions. For purposes of this section, the following definitions apply:

(1) Controlled substance means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c)).

(2) Illegal drug means a controlled substance; but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under that Act or under any other provision of Federal law.

(3) Serious bodily injury has the meaning given the term “serious bodily injury” under paragraph (3) of subsection (h) of section 1365 of title 18, United States Code.

(4) Weapon has the meaning given the term “dangerous weapon” under paragraph (2) of the first subsection (g) of section 930 of title 18, United States Code.

§300.531 Determination of setting. The child’s IEP Team determines the interim alternative educational setting for services under §300.530(c), (d)(5), and (g).

§300.532 Appeal.

(a) General. The parent of a child with a disability who disagrees with any decision regarding placement under §§300.530 and 300.531, or the manifestation determination under §300.530(e), or an LEA that believes that maintaining the current placement of the child is substantially likely to result in injury to the child or others, may appeal the decision by requesting a hearing. The hearing is requested by filing a complaint pursuant to §§300.507 and 300.508(a) and (b).

(b) Authority of hearing officer. (1) A hearing officer under §300.511 hears, and makes a determination regarding an appeal under paragraph (a) of this section.

(2) In making the determination under paragraph (b)(1) of this section, the hearing officer may--

(i) Return the child with a disability to the placement from which the child was removed if the hearing officer determines that the removal was a violation of §300.530 or that the child’s behavior was a manifestation of the child’s disability; or

(ii) Order a change of placement of the child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of the child is substantially likely to result in injury to the child or to others.

(3) The procedures under paragraphs (a) and (b)(1) and (2) of this section may be repeated, if the LEA believes that returning the child to the original placement is substantially likely to result in injury to the child or to others.

(c) Expedited due process hearing. (1) Whenever a hearing is requested under paragraph (a) of this section, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing consistent with the requirements of §§300.507 and 300.508(a) through (c) and §§300.510 through 300.514, except as provided in paragraph (c)(2) through (4) of this section.

(2) The SEA or LEA is responsible for arranging the expedited due process hearing, which must occur within 20 school days of the date the complaint requesting the hearing is filed. The hearing officer must make a determination within 10 school days after the hearing.

(3) Unless the parents and LEA agree in writing to waive the resolution meeting described in paragraph (c)(3)(i) of this section, or agree to use the mediation process described in §300.506--

(i) A resolution meeting must occur within seven days of receiving notice of the due process complaint; and

(ii) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint.

(4) A State may establish different State-imposed procedural rules for expedited due process hearings conducted under this section than it has established for other due process hearings, but, except for the timelines as modified in paragraph (c)(3) of this section, the State must ensure that the requirements in §§300.510 through 300.514 are met.

(5) The decisions on expedited due process hearings are appealable consistent with §300.514.

§300.533 Placement during appeals.

When an appeal under §300.532 has been made by either the parent or the LEA, the child must remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period specified in §300.530(c) or (g), whichever occurs first, unless the parent and the SEA or LEA agree otherwise.

§300.534 Protections for children not determined eligible for special education and related services.

(a) General. A child who has not been determined to be eligible for special education and related services under this part and who has engaged in behavior that violated a code of student conduct, may assert any of the protections provided for in this part if the public agency had knowledge (as determined in accordance with paragraph (b) of this section) that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.

(b) Basis of knowledge. A public agency must be deemed to have knowledge that a child is a child with a disability if before the behavior that precipitated the disciplinary action occurred--

(1) The parent of the child expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the child, that the child is in need of special education and related services;

(2) The parent of the child requested an evaluation of the child pursuant to §§300.300 through 300.311; or

(3) The teacher of the child, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education of the agency or to other supervisory personnel of the agency.

(c) Exception. A public agency would not be deemed to have knowledge under paragraph (b) of this section if--

(1) The parent of the child--

(i) Has not allowed an evaluation of the child pursuant to §§300.300 through 300.311; or

(ii) Has refused services under this part; or

(2) The child has been evaluated in accordance with §§300.300 through 300.311 and determined to not be a child with a disability under this part.

(d) Conditions that apply if no basis of knowledge.

(1) If a public agency does not have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against the child, the child may be subjected to the disciplinary measures applied to children without disabilities who engage in comparable behaviors consistent with paragraph (d)(2) of this section.

(2)(i) If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under §300.530, the evaluation must be conducted in an expedited manner.

(ii) Until the evaluation is completed, the child remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

(iii) If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency must provide special education and related services in accordance with this part, including the requirements of §§300.530 through 300.536 and section 612(a)(1)(A) of the Act.

§300.535 Referral to and action by law enforcement and judicial authorities.

(a) Rule of construction. Nothing in this part prohibits an agency from reporting a crime committed by a child with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a child with a disability.

(b) Transmittal of records. (1) An agency reporting a crime committed by a child with a disability must ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to whom the agency reports the crime.

(2) An agency reporting a crime under this section may transmit copies of the child’s special education and disciplinary records only to the extent that the transmission is permitted by the Family Educational Rights and Privacy Act.

§300.536 Change of placement because of disciplinary removals.

(a) For purposes of removals of a child with a disability from the child’s current educational placement under §§300.530 through 300.535, a change of placement occurs if--

- (1) The removal is for more than 10 consecutive school days; or
- (2) The child has been subjected to a series of removals that constitute a pattern--
 - (i) Because the series of removals total more than 10 school days in a school year;
 - (ii) Because the child’s behavior is substantially similar to the child’s behavior in previous incidents that resulted in the series of removals; and
 - (iii) Because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

(b)(1) The public agency determines on a case-by-case basis whether a pattern of removals constitutes a change of placement.

(2) This determination is subject to review through due process and judicial proceedings.

Ed 1124.02 Services for Children with Disabilities Removed from Current Placement. When a child with disabilities has been removed from the child’s current placement for more than 10 days in a school year, in addition to providing services necessary to enable the child to continue to participate in the general education curriculum, as provided in 300.530(d)(1)(i), the LEA shall provide service necessary to provide the child with a disability an opportunity to progress in the general education curriculum consistent with the child’s IEP. Such services, if provided at the child’s home, shall consist of: (a) a minimum of 10 hours/week of instruction, including special education as specified in the child’s IEP; and (b) related services as specified in the child’s IEP.

§§300.530 – 300.536 – See Ed 1124.01

(c) In the event the written report shows that the LEA, other public agency, private provider of special education, or other non-LEA program has not complied with orders issued by the department, the commissioner of education shall give the written notice of the further enforcement action to be taken.

(d) When taking enforcement action, the commissioner shall consider:

- (1) Severity, length and the repetitive nature of the same or other noncompliance;
- (2) Whether good faith effort was made to correct the problem;
- (3) The impact on children who are entitled to FAPE; and
- (4) Whether the nature of the noncompliance is individual or systemic.

(a) A certificate for an educator or an endorsement shall be suspended or revoked based on the following grounds:

- (1) Incompetence;
- (2) Conviction of a felony:
 - a. That would potentially place a student or students in physical or emotional jeopardy;
 - b. When the board determines that either the nature or circumstances of the crime, or the moral turpitude associated with the crime render the individual unfit for continued certification; and
 - c. When the underlying behavior or circumstances of the offense render the educator unfit for continued certification based on the educator’s inability to perform assigned duties;
- (3) Misconduct or unprofessional conduct, on or off duty:
 - a. That would potentially place a student or students in physical or emotional jeopardy;
 - b. Where the nature or circumstances of the conduct so detract from the educator’s professional standing as to render the educator unfit for continued certification based on the educator’s inability to perform assigned duties; and
 - c. Where there is a nexus between the off duty misconduct or unprofessional conduct of the educator and the educator’s ability to carry out assigned duties;
- (4) Falsification or misrepresentation of information provided in connection with an application for certification or endorsement or renewal or reinstatement discovered subsequent to issuance of the certificate;
- (5) If the individual is a superintendent, assignment of duties by the superintendent to an individual who does not hold the appropriate certificate or endorsement for the duties assigned, except as otherwise provided in RSA 189:39-b;
- (6) If the individual is a principal, to report to the superintendent any allegations or conduct by an educator for which there is credible evidence of a potential professional conduct violation that might constitute ground for suspension or revocation of an educator’s certificate or endorsement; or
- (7) If the individual is a superintendent, failure to report to the commissioner any allegations or conduct by an educator for which there is credible evidence of a professional conduct violation that might constitute grounds for suspension or revocation of an educator’s certificate or endorsement.

(11) In the case of an LEA or other public agency, refer the matter to the department of justice for further action; and

(f) A review of programs which may include a desk audit, scheduled on-site reviews, and unannounced on-site reviews, to ensure compliance shall take place weekly, monthly, or quarterly.

Ed 1125.03 Opportunity for a Hearing.

PART Ed 1126 STATE DEPARTMENT OF EDUCATION MONITORING OF EDUCATIONAL SERVICES AND PROGRAMS FOR CHILDREN WITH DISABILITIES

Ed 1126.01 Local Education Agency Request for Special Education Funds.

(a) Each LEA shall file a written request for federal special education funds with the department in order to qualify for assistance under the IDEA as provided in 34 CFR 300.200. LEAs shall review their requests annually and make revisions as necessary. The LEA's request and any revisions shall be submitted to the department for approval. Requests that are in compliance with the requirements and criteria established in 34 CFR 300.201 through 34 CFR 300.212 and Ed 1126.01 shall be approved. LEAs not having an approved request in effect shall not be eligible to receive state or federal special education funds.

§300.200 Condition of assistance.

An LEA is eligible for assistance under Part B of the Act for a fiscal year if the agency submits a plan that provides assurances to the SEA that the LEA meets each of the conditions in §§300.201 through 300.213.

§300.201 Consistency with State policies.

The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §§300.101 through 300.163, and §§300.165 through 300.174.

§300.202 Use of amounts.

(a) General. Amounts provided to the LEA under Part B of the Act--

- (1) Must be expended in accordance with the applicable provisions of this part;
- (2) Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and
- (3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.

(b) Excess cost requirement. (1) General.

(i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.

(ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for nondisabled children of these ages. However, the LEA must comply with the nonsupplanting and other requirements of this part in providing the education and services for these children.

(2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.

(ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of excess costs in §300.16. That amount may not include capital outlay or debt service.

(3) If two or more LEAs jointly establish eligibility in accordance with §300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in §300.16 in those agencies for elementary or secondary school students, as the case may be.

§300.203 Maintenance of effort.

(a) General. Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(b) Standard. (1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA’s eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

- (i) Local funds only.
- (ii) The combination of State and local funds.

(2) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in paragraph (b)(1)(i) of this section was used to establish its compliance with this section.

(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA’s compliance with the requirement in paragraph (a) of this section.

§300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(a), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

- (a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
- (b) A decrease in the enrollment of children with disabilities.
- (c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child--
 - (1) Has left the jurisdiction of the agency;
 - (2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or
 - (3) No longer needs the program of special education.
- (d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
- (e) The assumption of cost by the high cost fund operated by the SEA under §300.704(c).

II. III. If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Such conditions may include, but are not limited to:

(a) Limitation of the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition.

The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

The proposal for decision shall contain a statement of the reasons for the decision and shall set forth each issue of fact or law necessary to the proposed decision, prepared by the person who conducted the hearing or one who has read the record. Upon request, a copy of the decision or order shall be delivered or mailed promptly to each party and to a party's recognized representative.

541-A:36 Ex Parte Communications. – Unless required for the disposition of ex parte matters authorized by law, officials or employees of an agency assigned to render a decision or to make findings of fact and conclusions of law in a contested case shall not communicate, directly or indirectly, in connection with any issue before the agency, with any person or party, except upon notice and opportunity for all parties to participate.
