Application to Serve as a Professional Educator Preparation Program Reviewer

Dear Colleague:

The New Hampshire Department of Education is currently seeking professional educators to participate as a member of a team that will be conducting an assessment review of one of New Hampshire's twelve postsecondary institutions that prepare future professional educators. As a volunteer reviewer, you would be expected to review the institution's self-assessment documents and electronic evidence prior to the formal review and participate in a site visit of approximately one to three days, with your expenses covered by the host institution. Following the site visit, you would be asked to report on your assessment of the programs being reviewed.

Through this experience, you would earn up to 40+ continuing education units (CEUs) to be used for educator recertification and professional development. In addition, the benefits of serving as a volunteer reviewer include:

- Contributing toward improved preparation of future educators in your field.
- Expanding your professional network.
- Learning how to conduct a program assessment.
- Learning about best practices in your field and sharing your own experiences.
- Expanding your knowledge of regional programs in your field for future program development and access to a broad applicant pool.

Should you wish to apply, please complete the attached application and return it with your current resume or CV.

If you have questions or concerns, please contact Laura Stoneking, laura.a.stoneking@doe.nh.gov.

Thank you for your consideration.

Sincerely,

Laura A. Stoneking

Laura A. Stoneking, M.Ed.
Administrator
Bureau of Educator Preparation and Higher Education
