

New Hampshire Department of Education
Division of Education Analytics and Resources
Bureau of School Safety and Facility Management
25 Hall Street, Concord, NH 03301

Unused Facilities as Reported by NH School Districts July 2023

An unused facility is defined as a school building owned by a school district which is not used for academic purposes, extracurricular activities, administrative school functions, or sports and for which the school district has no school board approved written plan for future use. RSA 194:61 requires school districts to report unused district-owned facilities to the Department of Education annually.
