

# DIBELS Data System Project-Level Account Permission Form

\_\_\_\_\_ **District/SAU Office** hereby grants permission to have access to data stored in this district's account on the DIBELS Data System (<http://dibels.uoregon.edu/>). Access and reports will be provided to **New Hampshire Department of Education** on a project level, district level, school level, class level, and individual student level.

Access encompasses all information stored in the DIBELS Data System, including student names and ID numbers, demographic information, DIBELS scores, and outcome measure scores. However, access will be password-protected and confidential.

**New Hampshire Department of Education's** access is provided on a school level for the following schools (**add as many schools as applicable**):

---

---

---

---

\_\_\_\_\_ **District/SAU Office** hereby represents and warrants that it has complied with all applicable provisions of the Family Educational Rights and Privacy Act of 1974 and 34 CFR Part 99 necessary for it to authorize **New Hampshire Department of Education's** to be provided with the aforementioned information by the University of Oregon.

The undersigned represents that he or she is authorized to execute this instrument on behalf of \_\_\_\_\_ **District/SAU Office**.
