

US DEPARTMENT OF EDUCATION

Downloaded by NH Dept of Education,
Commissioner's Office on 10/17/2007

NOTE: Funds included in the tables below are from programs that allocate funds to States using a statutory formula. The totals do not reflect all Department of Education funds that flow to a State. States and other entities may also receive funds from grants that are awarded on a competitive basis. These tables also include for each State financial support from selected student aid programs that provide funds to the postsecondary institution that a student attends. Also shown for each State is the dollar amount of new federally supported loans made to students attending postsecondary institutions located in the State. Check US DOE web for updates to FY08 budget.
