

*As you take time to rest over the holidays, let us take the time to reflect on all the things we are thankful for.*

*Thank you for the work you do each day to create engaging, authentic, safe and exciting learning experiences for our young people as we focus on transforming education. All of the achievements this year would not have been possible without people like you.*

*May we be more appreciative, considerate, and caring, not just for the holidays but every day.*

*Best wishes for a happy and healthy Holiday Season!  
And may your New Year be filled with warmth, strength, and love.*
